Date 30.7.17 GOC. 5th Army.

INSTRUCTIONS.

1. These forms are to be completed in all cases of accidental or self-inflicted injuries, involving a soldier's absence from duty, whether due to the man's own act, or that of a comrade, or to other extraneous circumstances.

2. Where several casualties occur as the result of one accident, one form is to be completed for each Officer or other rank injured, but only one set of statements from the witnesses of the accident need be attached.

3. Full statements are to be taken by an Officer from the witnesses of the accident. These statements will be signed by the witnesses making them, and by the Officer who takes them, and will be forwarded with this Form. Where it is intended to take disciplinary action, copies of these statements should be retained by the Unit for use in lieu of a summary of evidence.

4. Where it is possible to obtain it, a statement from the injured man will also be forwarded. This, however, should not be used as evidence against him in any subsequent disciplinary proceedings.

Special Instructions as to Evidence in Cases of Self-Inflicted Wounds.

5. In these cases the statements mentioned in paragraphs 2 and 3 above should bring out all material points, e.g., statements to the effect that the witness was with the accused standing on the fire step (or sitting in a dug-out); that the accused was cleaning his rifle; position of safety catch, magazine, etc., if known; muzzle of rifle on toe of foot; hand on muzzle; that accused pulled trigger; that the rifle was afterwards examined and an empty cartridge case was found in chamber; that accused was seen to be wounded; what accused said ("I have shot myself," "I did not know it was loaded," etc.).

6. A soldier is specially trained in the safe use of his rifle and revolver, and evidence of any neglect of the ordinary precautions as to their handling in such cases usually has considerable bearing on the question of negligence. In cases of wilful self-wounding the fullest possible evidence should be obtained; unless the evidence is conclusive this charge should not be used. The charge will therefore usually be laid under sec. 40 Army Act—"Conduct to the prejudice of good order and military discipline in wounding himself through negligently handling a rifle," and an alternative charge to this effect should be made, even if the accused is to be tried under section 18 for wilful maiming.

"Under the provisions of the War Measures Act 1914-16

His Majesty's Forces during the present War and who has
suffered from any venereal disease, and who may still be
suffering from the effects of said disease may, on the cert-
ificate of the Medical or Acting Medical Health Officer setting
forth the nature of the disease and recommending aggregation
be arrested by any Peace Officer and placed in the Military

Officer, or the Medical Superintendent or the physician in charge
of said Hospital.

Any person so detained who escapes or who refuses to comply

Mr. John D. Andrews,
80 McFarlane Street,
City.

Dear Sir:-

You will remember you were in the Glencorse and
the Broughton Grove Military Hospital from the 28-7-16
to 9-10-16.

The treatment then given was only sufficient in a
number of cases to make a man fit for Active Service.

Arrangements have now been made to have all such
cases examined in St. John's, and, if necessary, treatment
continued.

Please notify us if it is convenient for you to
take this treatment. Address all communications to
Room 6, Militia Building.

Yours faithfully,

Captain.

Newfoundland Contingent

Referring to your reply to the
latter No., and pending your reply
to the former; with regard to the
supposed 9 missing men, the pos-
ition to date appears to be:-

October 29, 1915.

No. 315 Pte. J.D. Andrews,
Reported wounded, but not on
Battalion Nominal Roll.

No. 939 James Vardy,
Reported by 2/Lieut. Harvey
left at Hospital, Hawick.

No. 937 Pte. Jas. Vardy is
attached to the Depot. Is
this not the same man.

No. 849 L/Cpl. B.F. Parsons.
do do.

No. 66 N. Evans,
Deserter, - see Daily Orders.

N/N., Pte. M.F. Murphy (supposed
No. 754) with 1st Battalion.

leaving the following still un-
accounted for:-

122 F. Curran,
1169 J.T. Power,
126 T. Carmichael,
1339 W. Carew.

These men were never attached
to the Depot, so therefore no
action can be taken by us.

and the question still remains
what action will be taken regarding
them.

They may be with the Battalion,
since the Nominal Roll furnished
seems more or less unreliable, e.g.
Andrews is not recorded thereon,
but it is reported wounded, and of
course there may be similar cases.

(Sgd) S. ROBERTSON.

Lieut. & Acting Adjutant

Meanwhile the payment of Allot-
ments relating to these four men
is still going on at St. John's,
