NOTES.—(i) Clear and decisive answers to the following questions are to be carefully filled in by the Board, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(1) earlier active service, (2) climatic disease in previous service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

(iv) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

1. (a) State whether the disability is clearly attributable to—

NOTE.—This Army Form will be given to all patients in Hospital to complete who are suffering from a disability sufficiently serious to make discharge or reclassification in a category from which men are being transferred to Class P. or P.(T.) of the Reserve probable. The Form will then be attached to the Proceedings of the man's Medical Board, to be completed by the Officer i/c Records when received by him, and will be forwarded by him, together with the remainder of the man's documents, to the Secretary, Royal Hospital, Chelsea, London, S.W.1.

Reference your Memo Number 5321/1 dated 5th June, 1917, enclosing cheque for £2 for payment to 1811 Pte.Ash. 1st Newfoundland Regiment.

There are two difficulties in the way of dealing with this matter. The first is, that I am not allowed to give any man in Hospital more than 3/6 a week. The second is, that I am unable to deal with this cheque, unless I pass it through my Private Account, so for both reasons, I beg to return the cheque to you, asking you to reconsider the whole matter, especially, as on questioning the man, I find that he has no special need for the money at present.
