It may be added that in the absence of direct transport to Newfoundland there will be no alternative but to travel via Canada, and the man's physical condition should be considered accordingly, also kindly state whether any treatment may be necessary during the voyage to Canadian port, thence overland, the short sea journey to Newfoundland and thence again per rail to St. John's.

Dear Sirs,

Some few weeks ago I rec'd a cheque of two pounds ten shillings from your Dept; which was the amount of the sum of money sent to be cabled through your Dept. & 4/27 The W. Harbor, on May 23. I noticed you did not include in that cheque the fifty cents sent you to cover cost of remittance, receipt of which I am enclosing. You will oblige me by refunding that as well.

I am at a loss to understand why that money was not cabled to my boy, and have been strongly inclined to inquire into the matter, which ought to be done in case of

such a piece of negligence. It puts
both would-be receiver funds in
a great predicament, as well as
detracting one's confidence in your
ability, thereby leaving one doubtful
of again entrusting their interests
to your management.
