Dear Sir:-

With reference to your inquiry of October 9th., regarding the missing allotment cheque, I am not quite sure, which one you mean, when you state July's cheque. Is it the one you should have received on or about the 8th. July, which would be in payment for June, or is it the one in payment for July, which you should have received on or about the 8th. of August.

Kindly explain and notify me, and I will make full inquiries.
