Dear Sir: Overseas Transport.

In response to your telegram addressed to Lieut. Anderson (5273) on the subject of the passage of your wife to Newfoundland: I enclose the following forms:

- (a) An Application for Passport, and
- (b) An Application for Ocean Passage Ticket.

These should be completed and returned, together with a postal order for 5/- and two photographs (one of which should be signed on the back by the person recommending the passport) to this Office as early as possible.

It may be some time before a passage can be arranged for yourself and your wife, as it will take about a fortnight to procure Mrs. Belbin's passport, but on receipt of the above-mentioned forms the necessary arrangements will at once be proceeded with.

Should any money reach this Office it will be forwarded to the above address.

"Let me know when boat is likely to sail

It should be borne in mind that it is extremely difficult to arrange Overseas Transport at the present time, and that every effort is being made to fix your passage and that of your wife by the earliest opportunity.

As there are thousands of others ^{on the} waiting list, and as sailings to Canada are very few and far between, it is particularly requested that you will exercise a little forbearance, and await further information from this office.

Sir,

I am directed to inform you that the Medical Board by whom you were examined at Wandsworth on 18/4/1918 having expressed the opinion that you are permanently unfit for further service, it is regretted that there is no alternative but that you should relinquish your commission on account of ill-health, contracted on active service.

The requisite notification will appear in the Gazette in due course.

You will however be granted the Honorary rank of Second Lieutenant but such grant does not confer the right to wear uniform except on ceremonial occasions of a military nature.

The case will be submitted to the Ministry of Pensions for their consideration as to the claim to pension or gratuity on account of disability.

The enclosed forms are forwarded for your information.

15th July, 1918.

Dear Belbin,

I received your letter of the 11th inst. this morning. There is no boat sailing on the 15th with any of our troops on board, and it is not likely they will get away before about the 25th inst., possibly a little later.

You could have gone by New York without your wife, but as I understood you wished to take her with you, I put you down for the first available transport. There has not been one of the latter since the 29th of June, and there are over 200 other Newfoundlanders in the same box as yourself, so I hope you will have a little more patience.

Yours faithfully,
