Dear Sir:

I have your note of the 16th inst., in reference to leave of absence for #4501 Pte. E. Boche.

I see no difficulty in the way of granting this request, but it would be necessary for Pte. Boone to make application to the Depot for such leave of absence, which, under the present circumstances, might be extended until such time as demobilization is decided upon.

Yours faithfully,

Minister of Militia.

Herewith I send you letter which I received from Geo. M. Barr, Esq., relative to leave of absence for the marginally noted man.

I mentioned this matter to the D.O.C., and on his suggestion, I am informing Mr. Barr to tell Boone to make application to you for leave, which, under the present circumstances, I have no doubt you will see your way to grant for a period until the question of demobilization is decided.

Dear John,

Is it possible for you to give Boone leave of absence for about a week? I have lately lost the man who was acting as chauffeur for me, and as I presume the troops here, such as Boone, will be demobilized, I do not wish to take on another man.

If you can possible arrange this for me, I will be very much indebted to you, but if there are any difficulties whatever in the way, I will try to do without a man until he is paid off.

Yours truly,

Reference your Memo. enclosing an application from  
No. 4501 Pte. E.H. Boone of the Royal Newfoundland Regi-

presume that you wish me to act in the matter? I am  
therefore sending on the man's application to the G?O.C.  
of the Canadian Wing of the Royal Air Force at Toronto  
and will inform you at once on receipt of any infor-  
mation as to the transfer.

I think however that the G.O.C., R.A.F. Canada,

mentioned in my letter to him that you have no objection  
to the transfer.

To:- Private Secretary,

#4501 Private H. Boone.

I enclose communication from Officer Commanding Depot covering application from the above noted soldier for transfer to the mechanic wing of the Royal Air Force, together with letter from himself on the matter.

The only authority that we have from the Officer i/c Recruiting, Royal Air Force, is in connection with candidates for the Cadet wing. I understand however that arrangements are being made through you to transfer this soldier, and no objection will be offered to his transfer if finally carried through. With reference to having above soldier attached to local Aerodrome, I would suggest that if this is considered necessary, that application be made in the usual way by the Officer i/c, when such application would receive consideration.

I might say that no official notice of the establishment of such an aerodrome or of the personnel in charge has reached me, and I would suggest so that no difficulties may arise, that it might be well to have this position established and formally recognised by the Minister of Militia.

Sir:-

I am in receipt of your letter of today concerning Pte. Boone.

I wish to state that there has been no official correspondence to me as Officer Commanding, Depot with reference to the transfer of the above named soldier. I have telephoned the District Officer Commanding and am informed by him that no arrangements for his transfer have been made through that Department.

As Private Boone is on the Depot Strength and no reference has been officially made as to contemplated transfer, he must report for Duty at the Depot forthwith.

I am also in receipt of yours of 2nd inst in which you asked for an extension of leave for a day or two for Pte. Boone as the result of Motor incident at Bauline. Private Boone did not report to the Depot on his return from Bauline some few days ago and no further application was made for an extension of leave from that date. Private Boone, therefore, will report at once to barracks until his transfer to another branch of the Service is completed in the ordinary way. He was warned for the Draft proceeding on these

has been spoken of, his name has been struck off the Draft.
