With reference to attached copies of correspondence re the above mentioned N.C.O. while there seems to be no reason to doubt that the necessary sanction will be obtained, yet in as much as Sgt. Braithwaite's demobilization will have to be carried out in this Country if he is to be repatriated direct to U.S.A., and as those so demobilized waive all right to Demobilization it is thought that his case will require special reference to the Minister of Militia.

If Sergt. Braithwaite desires immediate or early repatriation, the case will have to be submitted by cablegram, but if he is prepared to wait till April, it will be transmitted by letter, and in the circumstances it is considered that this would be the more satisfactory procedure.

Will you, therefore, please say, when the course referred to in Sgt. Braithwaite's letter terminates, and when he will require to be discharged.
