Dear Sir:

In answer to your request of further information regarding the transportation of my intended wife, Miss Bessie Dickson, I wish to state that all arrangements were made for the ceremony before my leaving Scotland, but owing to such short warning of embarking for New Zealand, I had to postpone the marriage, and as a discharged Soldier, I thought I was entitled to a passport for my future wife from the United Kingdom. I shall be very glad if you would kindly put the matter through.

I beg to remain,
Dear Sir, Yours respectfully,

Dear Sir:-

With reference to your request for transportation accommodation from the United Kingdom to this country for Miss Nickson, I have to state that a cable has just been received from the Pay & Record Office, London, which reads as follows:-

"Application Miss Nickson referred back
"Are there any special circumstances such as
"permanently incapacitated or otherwise strong
"reason which Passports Committee might take
"into consideration, merely being the fiancee of
"a discharged soldier insufficient for transportation."
"

It is evident that further application has been made by the Chief Paymaster for transportation for your fiancee, and it is regretted that arrangements could not be made. If you are able to supply any further reasons in accordance with the requirements of the Passports Committee, I should be pleased to take the matter up further in an endeavour to have transportation arranged.

Yours faithfully,

Descriptive Return of a Soldier Discharged on Account of Disability

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station," and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
