Dear Sir,

I am in receipt of your communication of the 16th inst enclosing applications for Pension from 2nd Lt Fred. Busey and beg to say that the alterations were made before it was signed before me. Below you will find my comments on the different questions marked by you

Yours truly
F. Somerset

5. This change was made before my signing
9. This discrepancy I deem is only a clerical error
15. The man had not contributed towards the support of the family, but kept his earnings
24. The other boys David + Thomas pitched with the father and his whole earnings went to help support family
26. The answer given to this question is explained by my answer to 24.

The certificate signed by Rev. Chembalain + James P. Courage is not correct in so far as the word Sole is concerned. He was even the sole support.

Descriptive Return of a Soldier Discharged on Account of Disability

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station," and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

Dear Madam:-

Your son Frederick called to-day regarding your claim for Separation Allowance, which was forwarded by him in April last, and which in view of the answers to questions asked, and certain information which we received in May was refused, on the grounds that you could not be considered to be dependent upon him.

In view of the fact that the answers to the questions are in some cases incomplete, and in others contradictory, I have been directed to forward you a new form, which must be completed by yourself, and must be accompanied by the enclosed Medical Certificate, completed on account of your husband.

Please note that every question in the application must be answered as correctly and as fully as possible.

As soon as this form is received your case will have further consideration by the Board of Review of Separation Allowances.

Dear Sir.

As you are aware that I am one of the Soldiers who returned, on Aug. past, invalided home by sickness, caused through the effects, of this war. Has I understood that we were to receive pay so much per. Month, until, I was able to work. Now sir ever since that time I have been unable to do any thing towards my support, now what is to be done, have not do a days work since, only lying around & some times in bed. Now sir do you think this is a square deal, so I want you to try & do something

2)
towards this before I go any farther, As I am entitled to a share of money I would like to get it. Why should some soldiers get paid so much per. month and I get none.

Now I think this is poor encouragement for young men of today, when they see how the best is treated, This is my third time writing to you, so now I want to hear from you as soon as possible, trusting you will do all you can towards this case

I am yours Truly 1162
