Sir,-

As I was wounded in the head on Oct 12th instant, and was somewhat unconscious in being removed from various places in the field before arriving at hospital, I lost all my personal outfit amongst which was my pay-book. Have you a statement of my account with the Regiment in the field and the entry of my promotion of Sept. 4th instant? Or is it necessary for me to get a requisition from my Company officer? I would be obliged if you would kindly advise if everything is all right or what is necessary to be done so that I would not be incommenced in that respect when I get out

Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as in the event of the man being invalided, it is essential that the Commissioners of Chelsea Hospital should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is attributed to (a) active service, (b) climate, or (c) ordinary military service. It is therefore essential when assigning the cause of the disability to differentiate between them (see Articles 1162 and 1165, Pay Warrant, 1918).

(iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

20. (a) State whether the disability is the result of (i.) active service, (ii.) climate, or (iii.) ordinary military service.

Active service

cf. S. W.

(b) If due to one of these causes, to what specific conditions do the Board attribute it?

21. Has the disability been aggravated by

no

(a) Intemperance?

(b) Misconduct?

✓

(c) Any of the conditions mentioned in question 20, and if so, which?

22. Is the disability permanent?

✓

23. If not permanent, what is its probable minimum duration?

To be stated in months.

24. To what extent is his capacity for earning a full livelihood in the general labour market lessened at present?

2/3 Total ab present

In defining the extent of his inability to earn a livelihood, estimate it at $\frac{1}{2}$, $\frac{1}{3}$, $\frac{2}{3}$, or total incapacity.

24A. Is the man suffering from a disability which would obviously, as far as you can judge, cause him to be rejected by an Approved Society under the National Insurance Act?

✓

25. If an operation was advised and declined, was the refusal unreasonable?

Capt. J.M. Howley,
Paymaster.

Sir:

As I am desirous of going back to civilian life to take up a line of civil employment, I do hereby respectfully tender my resignation from the post I hold here, and at the same time with your approval make application for my discharge, to take place from Nov. 30/18

The time is not far distant when we ^{must} all again become civilians, and the question of suitable employment will crop up; so from that point of view, it is at present to my advantage to leave, as I have been working here now for 13 months at a loss of \$12 a month ^{or} and the remuneration I was employed under on being discharged.

I don't wish to inconvenience you, Sir, but I should like to be released on Saturday Nov. 30th. 1918.

As the allotment work is gradually decreasing, and will be more so in future, I beg to suggest Lance Corporal Pike for the post.

Awaiting an early reply,
I remain,

Your humble servant,

W. G. Bursary

August 1st, 1918.

Capt. J. M. Howley,
Paymaster.

Sir:-

AS on leaving hospital in London, I did not get issued with a regular uniform, being recommended for discharge on reaching Newfoundland; and as I had to purchase a uniform the other day costing considerably over the price of an "issued", I do hereby, with your approval apply for such a refund as would cover cost of a regular "issued" by the Government, which is I understand \$18.00

I may say, I have never had an issue of uniform since I was ^{wounded} Oct 12/16, the one I did use I bought myself.

I have the honor to be,

Sir,

Your obedient servant.

Recommended for approval

Statement of Case.

Note.—The answers to the following questions are to be filled in by the Officer in medical charge of the case. - 10. Place of origin of disability. France Somme

Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Commissioners of Chelsea Hospital should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is attributed to (a) active service, (b) climate, or (c) ordinary military service. It is therefore essential when assigning the cause of the disability to differentiate between them (see Articles 1162 and 1163, Pay Warrant, 1913).

(iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

20. (a) State whether the disability is the result of (i.) active service, (ii.) climate, or (iii) ordinary military service.

Active Service
G.S.W.

(b) If due to one of these causes, to what specific conditions do the Board attribute it?

21. Has the disability been aggravated by

(a) Intemperance?

(b) Misconduct?

No
No
Yes

22. Is the disability permanent?

23. If not permanent, what is its probable minimum duration?

To be stated in months.

Yes
✓

24. To what extent is his capacity for earning a full livelihood in the general labour market lessened at present?

Total at Present a.s.o.

In defining the extent of his inability to earn a livelihood, estimate it at $\frac{1}{2}$, $\frac{1}{3}$, $\frac{1}{4}$, or total incapacity.

25. If an operation was advised and declined, was the refusal unreasonable?

Vide - do

26. Do the Board recommend

(a) Discharge as permanently unfit, or

(b) ~~Change to England?~~

Statement A should be completed in the Hospital at which the man is attending at the time of his examination by a Medical Board, and the soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station," and "Date" should be in his own handwriting.

The Form will then be attached to the Proceedings of the man's Medical Board, to be completed by the Officer i/c Records when received by him, and will be forwarded by him, together with the remainder of the man's documents, to the Secretary, Royal Hospital, Chelsea, London, S.W.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
