C.R. 469

Dec. 16th, 1920

Sir:-

I am in receipt of your letter of Dec. 13th referring to the case of Mrs. Carew of 2nd Brine Street.

I have gone into her case and find that during the period of service of her two sons, Separation Allowance was not applicable for the reason that the sons were not her sole support. I have enquired also of the Pensions Board concerning her case, and I am informed that pension was paid to March of this year and then stopped, as it was found that under section "E" of the Pensions Act, the two sons who were killed were not her sole main support. I have enquired also of the Patriotic Fund Committee concerning her case. Her case was before that Committee recently and it appears that the son who was wounded through head and shoulder, stated before a medical officer of this Dept. that he was fishing all the summer, though at the time he was not feeling A 1. He was told that if he would present himself a Medical board would examine him, with a view to treatment or pension. He did not appear for a medical examination, and as he was discharged as an A 1 man, there is no record to show that he is suffering from any disability through war service. The Patriotic Fund Committee found that they were unable to assist. It is regretted that no assistance can be granted by this Department to Mrs. Carew.

I have the honour to be
Sir
Your obedient servant

PRIME MINISTER'S OFFICE,
ST JOHN'S, NEWFOUNDLAND.

13 December 1920

Dear Col. Rendell,

Mrs. Carew of 2 Brien Street has just called at my Office, and states that she is the mother of four sons who enlisted with the Regiment.

Two were killed, and two returned home. Of the latter one is married, and has two children to support. The other, who was wounded through head and shoulder, is mentally incapacitated from work, and has latterly been under the medical care of Dr. Carnell.

Wm
Mrs. Carew's husband has been unwell of late and had to be operated on only last week.

She states she is in very straitened circumstances, which she considers a great hardship in view of the sacrifices she and her family made during the War.

Would you kindly let me know if there is any way in which she can be assisted through the medium of your Department.

Very truly yours

Lt. Col. Rendell, C.S.O.

The nature of the casualty is required for telegraphing details overseas. If the details given are insufficient, reference back to the hospital for further information is rendered necessary. The following instructions should therefore be carefully followed in all Colonial cases:

- In the case of sickness, the nature and degree should be stated, e.g. enteric, slight.
- In the case of wounds, the nature of the wound, the part of the body affected, and the severity of the injury should be stated, e.g., gunshot, skull, severe.

If a limb has been amputated the fact should be recorded.

NOTE.—These rolls should be forwarded direct to the War Office, Alexandra House, Kingsway, W.C., not later than the day after admission; envelopes to be marked C. 2, Casualties; rolls are not to be telegraphed in advance. The duplicate of the rolls should be sent to the Officer in charge of Records of the Colonial Contingent concerned.

Admissions to the outlying sections of the hospital should be shown separately. If the distance of these sections should render it impossible to forward the rolls the day after the admissions, the sections should be instructed to send lists (on these Army Forms) direct to the War Office, and to the Colonial Contingent Record Office concerned.

NEWFOUNDLAND CONTINGENT.

My dear Fred,
PAYMASTER & OFFICER IN CHARGE

I have another, who does not write home, and it is particularly hard on the family in this case.

X Mrs Carew was in town me last night ^{saying} that she had not heard from her son, M. Carew #469, for some time.

She has had one son killed at Gallipoli, another missing since July, so you can realise how anxious she is to hear. I understand he is a Sergeant or Sergeant-major, but Mrs Carew says she gets no money from him.

The father is not overwell, has been sick for a while, and if you could get Carew to make an allotment (his mother says he has not done so) to her it would help, and perhaps if you wrote say Col. Whittaker it might have the effect of stirring up his writing qualities. X

McCollins has a son (2448 or 2450) missing

April 4th but no news of her as yet.
I wish I was not bothering you too
much.

Yours faithfully
M. Baird
