*Loss of teeth on or immediately after, active service, should be attributed thereto, unless there is evidence that it is due to some other cause.

Opinion of the Medical Board.

Notes.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is, (A) caused or aggravated by service in the present war, (B) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

1. (a.) State whether the disability is clearly attributable to—

- (i.) Service during the present war;
- (ii.) Climate;
- (iii.) Ordinary military service;
- (iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or
- (v.) Whether it is constitutional or hereditary.

Yes.
No.
Yes.
No.
No.

(b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it?

Exposure on service.

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which?

No.
Yes.

23. Is the disability permanent?

No.

24. If not permanent, how soon do the Board recommend re-examination?

Na.

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?

Degrees of disablement should be expressed in the following percentages:—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil.

60%.

26. If an operation was advised and declined, was the refusal unreasonable?

Na.

27. Do the Board recommend—

- (a) Discharge as permanently unfit, or
- (b) Change to England?

Discharge as permanently unfit.
Na.

28. If discharge is recommended it should be stated whether further medical treatment (including orthopaedic training) is desirable in a—

- (a) Sanatorium;
- (b) Hospital;
- (c) Convalescent home;
- (d) Asylum; or
- (e) Other institution either as an in-patient or an out-patient, and if so the period for which recommended.

No

29. With reference to Army Council Instruction No. 144 of 1917, is any surgical appliance recommended?

Na.

30. Does the man require the constant attendance of another person?

No.

Police Expenses in respect
3596, Pte. Felix O'Connell,
Royal Newfoundland Regiment.

Reference yours of the 17th. The Police Claim should be settled by you, but whether the expenses will be met from your Contingent funds or be recovered from the man is a matter for you to decide.

Reference obverse:-
When the Unit was in the Scottish Command, and such expenses were incurred in that Command, a similar ^{question} was raised in connection with the apprehension of absentee ^{by} deserters, and the enclosed copy of correspondence respecting decision arrived at is forwarded for your perusal. The expenses incurred are considered as being rightly a charge against Imperial Funds, in view of the fact that the Newfoundland Contingent is liable only for the pay of the Contingent. Rations and accommodation are chargeable against Imperial Funds, which would appear also to apply for claim for maintenance ^{whilst in detention} (See A.C.I.1656 of 1916)

The claim should be dealt with as if the Soldier belonged to an Imperial Unit, and it is therefore understood that if the procedure as far as Imperial Units are concerned is that such expenses are ordinarily payable by the Paymaster of the Command in which the expense is incurred, then it would appear that this claim should be settled by you, please.

#2596 Pte. P.O'Connell (Deceased)

Dear Sir, I beg to inform you that this Department has received the consent of the father of the above named soldier to treat his grave as a War Grave. With this end in view this Department is anxious to have the work completed before the frost arrives and, if possible, we would prefer to have the work done by a local man from Chapel Arm, if one can be found who has a thorough knowledge of concrete work.

I am enclosing a circular letter which may be of use to the contractor and will give the dimensions of the curb. If needed we will ship the cement and lumber from here.

I may say that the headstone has not yet arrived but provision will be left in the head of the curb to set the stone as soon as it arrives.

For your information, the above soldier is buried in the R.C.Cemetery at Bonavista.

If you will certify the bills when the work is finished and send them to us, payment will be made immediately.

Your kind attention to this matter will be much appreciated.

Yours very truly,

Lieut.

Dear Mr James

Your letter
re Private Council's grass
You say the Department
is anxious to have the
work done as speedily as
possible and prefer the
work be done by a local man
from Chapel Arm.

Chapel Arm is in T.B
some 50 or 60 miles from Bonaivista.

There is really no need going
outside Bonaivista for material
or Labour

Re Grave of #3596 F.O'Connell.

Dear Sir,

Re your letter of Oct. 3rd. it is not the intention of this Department to have any work performed outside the burial places of the deceased soldiers and sailors. The wording of our letter was merely a clerical error and should have read Bonavista and not Chapel Arm.

Regretting the necessity of this correction and trusting you can get the work finished locally.

Very truly yours,

Lieut.

Officer i/e Records.
