Statement of Case.

Note.—The answers to the following questions are to be filled in by the Officer in medical charge of the case. In answering them he will carefully discriminate between the man's unsupported statements and evidence recorded in his military and medical documents. He will also carefully distinguish cases entirely due to venereal disease.

9. Date of origin of disability.

10. Place of origin of disability.

11. Give concisely the essential facts of the history of the disability, noting entries on the Medical History Sheet bearing on the case.

G.S. W Scalp. Feby 1917. Treated in France, cured. 2nd wound Apr 1917. G.S. W Rt thigh & Buttocks. Superficial. Invalided to England, cured. 3rd wound Oct 1918, Belgium. G.S. W. Shoulder. Invalided to England. Treated at London Gen, where Deploying F.B. was removed. Discharged with wounds healed, requiring massage and movements.

12. Give your opinion as to the causation of the disability, stating whether in your opinion it is—

- (a) attributable to or aggravated by service during the present war, climate, or ordinary military service. (The specific condition to which it is attributed should be stated, see Notes on page 3).
- (b) constitutional or hereditary, and not aggravated by service during the present war.
- (c) attributable to or aggravated by want of proper care on the man's part, e.g., intemperance, misconduct, &c.

Wounded on Active Service.

Opinion of the Medical Board.

NOTE.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is, (A) caused or aggravated by service in the present war, (B) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

13. What is his present condition?

Weight should be given in all cases when it is likely to afford evidence of the progress of the disability.

14. If the disability is an injury, was it caused—

- (a) In action?
- (b) On field service?
- (c) On duty?
- (d) Off duty?

15. Was a Court of Inquiry held on the injury?

- If so—(a) When?
- (b) Where?
- (c) Opinion?

16. Was an operation performed? If so, what?

17. If not, was an operation advised and declined?

18. In case of loss or decay of teeth. Is the loss of teeth the result of wounds, injury or disease, directly* attributable to active service?

19. Give particulars of any other disabilities existing, but not in themselves sufficient to cause invaliding, and state whether they are attributable to or have been aggravated by service during the present war.

20. Do you recommend—

- (a) Discharge as permanently unfit, or
- (b) Change to England?

21. (a.) State whether the disability is clearly attributable to—

- (i.) Service during the present war;
- (ii.) Climate;
- (iii.) Ordinary military service;
- (iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or
- (v.) Whether it is constitutional or hereditary.

(b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it?

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which?

23. Is the disability permanent?

24. If not permanent, how soon do the Board recommend re-examination?

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?

28. If discharge is recommended it should be stated whether further medical treatment (including orthopaedic training) is desirable in a—

- (a) Sanatorium;
- (b) Hospital;
- (c) Convalescent home;
- (d) Asylum; or
- (e) Other institution either as an in-patient or an out-patient, and if so the period for which recommended.

Sir:-

With reference to your favor of 8th. inst., in connection with Jos. Crane, I think this is a matter which would be left largely to your judgment. If the person in question is not of a vicious character and you consider that breaking away from old associations might have a good effect on him, I do not see any objection to your enrolling him provided he is physically fit. The fact could be impressed upon him that once he comes under military law the pains and penalties of breaking the law are very severe.

Circumstances of the case, giving particulars as to how where and when the casualty occurred. (a) Was ordered to dig out some bombs that were frozen in the mud near billet. A bomb was touched with entrenching implement and exploded. Pte. Oldford heard the bomb working and tried to get round the hut but was too late. Any facts showing negligence or intention to wound should be stated here. Statements of witnesses should be recorded separately, but attached to this form. (b) Happened to walk round the corner of the hut as bomb exploded.

Opinion of the O.C. Unit as to whether the wound was caused (a) Wilfully; (b) Negligently; (c) Accidentally. I consider the wounds of above two men purely accidental and attach no blame to them. (i.e., no blame attaching to the man; and remarks if any.

4/2/17. J. Forbes Robertson Lt. Col. Commanding Newfoundland Regiment.

Opinion of Brigadier and order as to disciplinary action. (N.B.-Fld.Amb. to be notified at once of Brigadier's decision). Accidental. Disciplinary action not necessary. D.E. Cayley Commanding 88th. Brig. Genl. Date, February 5th, 1917.

Orders and remarks (if any) by Divisional Commander. I do not consider this a self inflicted wound. The man was doing his duty. W.J. Williams Br. Genl. 29th. Division. Commanding. Date, February 6th, 1917.

Dear

Sir

What is the reason I have received no ribbons yet I am a 1914 man and served in Gallipoli and every soldier mostly in this district have received all or mostly all their ribbons and not near so long in the service as me it is not playing the game to send a King boy his ribbons and send a 1914 man none the Government is very backward when it comes for them to do their little bit but I was not backward in 1914 ~~who~~ when I done mine some men can sport their Gallipoli star but men that

2

deserve it can't do so for the simple reason they don't get it Sir I would be more than grateful to you if you would send particulars to me how to get the Gallipoli Star and if you would kindly see about getting my ribbons sent to me trusting you will not think my letter abrupt but it would hurt any 1914 soldier to see a King boy with ribbons up and a 1914 man with none Yours Sincerely
