Jan 5<sup>th</sup> 1918.

Dear Mr. Squires,

This morning I had a letter from one of  
my parishians - Mr. Samuel Crocker by name -  
She is the mother of two soldiers - one missing  
since July 1<sup>st</sup> 1916 - Harrison Crocker, the other  
Helen C. <sup>Crocker</sup> 2472 New. Regt., twice wounded, the  
last time severely.

She wishes to know if it would be possible for  
Helen to return on leave. He is at present, I  
believe in Landmouth Hospital. I write to you  
as she wishes, although I realize the difficulty  
in getting such leave. Like every good wish  
for New Year I am

Yours sincerely

SIR:

Two discharged soldiers, namely 2412 ex-Pte. Heber Crocker and 3314 ex-Pte. John Legge, living at Hearts Delight, T.B., have made application to be employed on Special Duty at Hearts Content. Their application has been favourably considered by the Officer Commanding Depot, but before they can be put on duty, it is necessary that they be re-attested for Home Service in the Dominion of Newfoundland.

I enclose herewith two forms to carry out this procedure and would ask you to administer the prescribed oath, and have the men sign their names and numbers at end of Para. 1, as well as following the oath. You will then please witness same and forward me the papers to the Barracks and instruct the two men to get into uniform and await instructions from here regarding duty. By so doing you will greatly oblige.

I have the honour to be,

Sir,

Your obedient servant

Sir,

Private Heber Crocker, now in Wandsworth Hospital, has, his parents understand, been severely wounded. He has already lost one brother in the war, & his parents wish me to enquire as to whether Heber Crocker will be discharged as unfit for further service, or if not, whether it would be possible for him to have some weeks leave to enable him to visit his people here. One understands the sort of difficulties in the way, but I write to give satisfaction to the parents. Thanking you I am yours faithfully

Statement of Case.

Note.—The answers to the following questions are to be filled in by the Officer in medical charge of the case. In answering them he will carefully discriminate between the man's unsupported statements and evidence recorded in his military and medical documents. He will also carefully distinguish cases entirely due to venereal disease.

- 9. Date of origin of disability. 20.8.17
- 10. Place of origin of disability. Ypres

11. Give concisely the essential facts of the history of the disability, noting entries on the Medical History Sheet bearing on the case.

Struck by bomb fragment in cheek which penetrated maxilla carrying away some alveolar process + part of premaxilla. The antrium on that side was opened, a hole being made the size of a New-penny piece. Two unsuccessful attempts were made to clear orifice by flap; finally an obturator carrying teeth has been fitted. The wound externally healed satisfactorily.

- 12. Give your opinion as to the causation of the disability, stating whether in your opinion it is—
  - (a) attributable to or aggravated by service during the present war, climate, or ordinary military service. (The specific condition to which it is attributed should be stated, see Notes on page 3).
  - (b) constitutional or hereditary, and not aggravated by service during the present war.
  - (c) attributable to or aggravated by want of proper care on the man's part, e.g., intemperance, misconduct, &c.

G.S.W. on active Service

13. What is his present condition?

Weight should be given in all cases when it is likely to afford evidence of the progress of the disability.

owing to loss of teeth and the fact that denture has only lately been fitted. That there is much absorption of the alveolar process still to occur he will in my opinion be unable to masticate full diet again for a long period, a year or more.

14. If the disability is an injury, was it caused—

- (a) In action?
- (b) On field service?
- (c) On duty?
- (d) Off duty?

In action

15. Was a Court of Inquiry held on the injury?

- If so—(a) When?
- (b) Where?
- (c) Opinion?

No.

16. Was an operation performed? If so, what?

Yes. Staphylococci.

17. If not, was an operation advised and declined?

18. In case of loss or decay of teeth. Is the loss of teeth the result of wounds, injury or disease, directly\* attributable to active service?

Due to injury, directly attributable to S.W.

19. Give particulars of any other disabilities existing, but not in themselves sufficient to cause invaliding, and state whether they are attributable to or have been aggravated by service during the present war.

Small flesh wound on arm entirely healed.

20. Do you recommend—  
(a) Discharge as permanently unfit, or  
(b) Change to England?

Recommend as permanently unfit.

Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) *The rates of pension vary directly according to whether the disability is, (A) caused or aggravated by service in the present war, (B) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.*

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

1. (a.) State whether the disability is clearly attributable to—

(i.) Service during the present war; *Yes*

(ii.) Climate; *✓*

(iii.) Ordinary military service; *✓*

(iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or *No*

(v.) Whether it is constitutional or hereditary. *No*

(b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it? *G.S.W.*

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which? *✓*

23. Is the disability permanent? *Yes*

24. If not permanent, how soon do the Board recommend re-examination? *✓*

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present? *100*

*Degrees of disablement should be expressed in the following percentages:—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil.*

26. If an operation was advised and declined, was the refusal unreasonable? *vide 16*

27. Do the Board recommend—

(a) Discharge as permanently unfit, or

(b) ~~Change to England?~~ *Yes*

28. If discharge is recommended it should be stated whether further medical treatment (including orthopaedic training) is desirable in a—

(a) Sanatorium;

(b) Hospital;

(c) Convalescent home;

(d) Asylum; or

(e) Other institution either as an in-patient or an out-patient, and if so the period for which recommended.

*Acute Dist patient for brutal treatment.*

29. With reference to Army Council Instruction No. 144 of 1917, is any surgical appliance recommended? *488. Obturating Denture*
