This is to certify that Lance Corp James
Carter of Trepasey has been under-
going medical treatment by me since
he has been discharged from the service.
He is suffering from irregularity of
the heart and is not improving, probably
owing to the fact that he cannot get perfect
rest at home. This trouble of the heart
was brought on by drill. Previous to
his enlistment, examined him and found
his heart normal.

L/Corpl. James Curtis,

Trepassey.

Dear Sir:-

Your letter of February 4th., was received after the regulations governing Post Discharge Pay were superseded by those concerning War Service Gratuity, and reply has been delayed on account of the time required to make the necessary calculations of the War Service Gratuity.

Payments of this Gratuity will commence on March 1st., 1919, and will be made in monthly installments until such time as the amount due has been paid.

The amount due is calculated on the basis of a soldier's services, and any amount paid as bonus at the time of discharge, and Post Discharge Pay if already paid, will be deducted from the total amount of the Gratuity.

It is necessary before payment is made, that the enclose Statutory Declaration be completed and returned to me.

As soon as it is received the first payment on account of the War Service Gratuity will be forwarded.

Yours truly,

Captain,
Paymaster & O. i/c Records

Reference to your letter of even date concerning above noted, I have to state this man was, at the time of his discharge, entitled to Post Discharge Pay as per Regulations then in force, and his documents endorsed accordingly; as such, fourteen days' pay and allowances was all that was due him.

It now appears that he is not entitled to War Service Gratuity under existing Regulations; and would, if he were discharged since the present Regulations came into force, be paid twenty eight days' pay and allowances (as his service is under one year).

I beg to say, however, that I have no authority to issue him any extra money on any account, as he was removed from Depot strength while Post Discharge Pay was in order, and I take it that any adjustments necessary on his account will be made in the usual way by your Department, treating him as a demobilized soldier.
