Dear Miss Dalton,

I have already forwarded a request regarding the granting of furlough to your brother Pte. W. F. Dalton to the proper quarter.

But the rule is this: All men discharged from Hospital are marked according to their health. A & B classes are fit for full duty. C & D classes are fit only for light duty or home defence.

If your brother is classified in C or D the Doctor may certify that he would benefit by a sea voyage or by a change home. If he is in A or B furlough is not permitted. But parents and relatives have the satisfaction of knowing that he is in good health and strength.

You will well understand that it would not do for me or for anybody to override or attempt to modify the wise decisions of the Highest Military authorities.

Yours sincerely,

Miss Nora Dalton,
