The Right Honourable,

B.E.F.

Sir,

I beg to inform you that 581 Pte Wm Delaney <sup>1st Ballin</sup> is the father of an illegitimate male child borne by my daughter on the 4th May last, as the result of his seducing her while at Ayr in August 1917.

The tragedy is more distressing from the fact that at the time advantage was taken of her she was but 17 years & 3 months old.

I have written him notifying him of the fact but as no notice has been taken of my communication, I have been advised to put my case before you, & I shall gratefully esteem the favour of your kind unfluence to enable me to secure his admission of paternity, so that arrangements can be made for making application to the state for the allowance made in such cases.

I am Right Honourable Sir,  
Your obedient Servant

Hon. J. R. Bennett  
Minister of Militia  
Sir :-

I received a letter from my son dated Oct. 31<sup>st</sup> 1918. eleven days before the Armistice peace was signed, at that time he was on the battle field of France, since that I havn't heard anything from him his number is 581 one of the Blue Puttees. Could you give me any information of where he is to-day.

As far as I am aware nearly all the Blue

2

Puttees boys are in Cpld.  
All along the summer  
the papers showed that  
all the blue Puttees  
were going to be sent  
home on furlough  
but now I can see  
they were not all brought  
home because mine  
is somewhere in France  
or in Germany. I trust  
that I may hear from  
you soon.

Yours faithfully  
Joseph A. Delaney

## Descriptive Return of a Soldier Discharged on Account of Disability.

**INSTRUCTIONS**—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
