unavoidable delay owing to the large number of requests
received, and the difficulty, which you will easily
understand, of carrying on photographic work in France and

Sir:—

Referring to No 3587, late Pte
J Dewey who died of wounds in
France in Oct 1918. I would be
very much obliged if you would
kindly institute enquiry & ascertain
from the pay & Record Office in
London what amount of credit
is due to this deceased Soldier,
maybe about £12 or £15 as he
was in France from February
until his death in following Oct
and had not had a furlough to
England during the whole of this period
so that I imagine there is quite
a little sum to his credit as

result of this.

Thanking you in anticipation
of your attention in the matter
