**Distinguished Conduct Medal**

*London Gazette, 26th January 1918 and September 9th 1917*

*Action Date, 16th August 1917*

For conspicuous gallantry and devotion to duty. During an attack on the enemy position he and another man followed our barrage closely through a swamp and helping each other along, bombed the blockhouse and destroyed a machine gun and team which was threatening the advance of their platoon. He showed the greatest courage and initiative throughout.
