13th December, 1916.

Dear Madam,

In reply to your letter of the 8th instant, I beg to say that, according to the last report received, your son, Private Samuel Farrell, was undergoing treatment at the Third London General Hospital, Wandsworth. I would suggest, however, that in addressing letters or parcels to him, you direct them care of the Newfoundland Pay and Record Office, 58 Victoria Street, London, S. W. I suggest this because of the fact that before your letter reaches, your son might have sufficiently recovered to be transferred to some other Hospital or a Convalescent Home, and it is generally found that parcels addressed care of the Record Office are more likely to be promptly delivered.

Yours faithfully,

Colonial Secretary.

Mrs. James Farrell,
St. Jacques.

Mr. J. R. Bennet

Dear Sir

I was more than sorry to hear that my dear ^{Samuel Farrell} son is wounded. Would you be kind enough to ^{try} find out his address. He is in the Hospital in London. Dear Sir I will never forget your kindness if you could. I would love to write him but I don't know his address. Dear Sir you know that I am in a very poor condition about him. I hardly know where I am. If you could find out his address would you kindly write and send it to me. If you could only find out any thing about him I would be more than proud if you would write & tell me

Thanking you very much for
your kindness

yours truly

Descriptive Return of a Soldier Discharged on Account of Disability.

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i | c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
