Descriptive Return of a Soldier Discharged on Account of Disability

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i. c. Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

 Dated 24.10.19 1919

As opportunities of direct transport to St. John's, Newfoundland, are expected to occur about the 8th and 20th November respectively, it is asked, please, whether the above-named will be in a fit condition to travel.

The steamers are due to leave Liverpool on the dates named, but with recent experiences of postponements it would appear reasonable to suppose that there may be delays of a few days.

As you will be aware the winter of Newfoundland is sometimes severe, and that aspect will doubtless be taken into consideration when deciding whether the condition of the patient warrants the change.

W. M. ... Major,
 Chief Staff Officer (London).

Reference your enquiry re A/m. man I beg to state that this man will be unfit for further Military service, but will be fit to travel about November 8th.
