Sir:—

Under orders, I proceeded to Liverpool
on 22-5-18. in charge of two packages
~~to be~~ delivered to Hts. Dummer and
Maddick, who were proceeding to
Newfoundland, arriving Liverpool 5.20 pm.
I proceeded to Canadian Office, which
was closed, upon making enquiries
at that office next morning 23rd inst. 9 am.
I was told that they could give
me no information as to the
name or location of the outgoing
Steamer.

I afterwards located the
Transport Office (it being then about
11 am) who informed me that the
Steamer had just "pulled out" from
the pier.
I afterwards slipped the packages

through the Hudson W. Co. who
fortunately had a boat going
direct to Newfoundland.

I am

Dear Sir,

I enclose you herewith a letter received by me to-day from Mrs. Alex. H. Gillis, of Highlands, Dist. of St. George.

I am not at all certain that the Military Service Act entitles Mrs. Gillis to a "separation" allowance under the circumstances, but I shall be obliged if you will kindly tell me what reply to send her, and, if it be permissible for her to make an application for a separation allowance, I shall be glad to have you send me a form to enclose to her.

Dear Sir,

I would
be very grateful to you
if you would kindly give
me advice regarding
trying to obtain a
separation allowance
from my son No. 2385
Pte Neill. A. Gillis, Royal
Wfls Regt. I will explain
the facts to you briefly
to the best of my ability
as regards this. I have
5 sons serving, and was
receiving an allotment
from Pte Neill A Gillis
the above mentioned soldier

words from Pte Neil that
 he would need all his
 pay for himself and
 that means that we shall
 only have one allotment
 to draw. We have no
 help at home as our
 five sons are with
 Wld Regt., C. E. F. and
 1 with the A. E. Force
 and I know you will
 readily understand
 that we need this separation
 allowance from Pte Neil
 as he was our youngest
 son, able to work and
 naturally we depended
 most on him for support
 Will you please let me
 know what steps would I best
 take, and I would be very
 grateful to think that I.

while my husband drew
 an allotment from
 another son Pte Geo Gillis
 Royal Wld Regt. therefore
 we were content without
 trying to obtain this separation
 until Pte Neil, was
 wounded the second
 time, losing his left
 eye entirely besides other
 wounds, he needed his
 wages in full for
 2 months this spring
 and I asked the pay
 & records office. It John's
 to arrange that he
 get this, that left us
 with only one allotment
 for 2 months. In June
 I received my allotment
 as before, but a few days
 ago I received a

Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to **enable him to decide upon the man's claim to pension.**

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) *The rates of pension vary directly according to whether the disability is, (A) caused or aggravated by service in the present war, (B) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.*

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

21. (a.) State whether the disability is clearly attributable to—

- (i.) Service during the present war;
- (ii.) Climate;
- (iii.) Ordinary military service;
- (iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or

(b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it?

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which?

23. Is the disability permanent?

24. If not permanent, how soon do the Board recommend re-examination?

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?

Degrees of disablement should be expressed in the following percentages:—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil.

26. If an operation was advised and declined, was the refusal unreasonable?

27. Do the Board recommend—

- (a) Discharge as permanently unfit, or
- (b) Change to England?

28. If discharge is recommended it should be stated whether further medical treatment (including orthopaedic training) is desirable in a—

- (a) Sanatorium;
- (b) Hospital;
- (c) Convalescent home;
- (d) Asylum; or
- (e) Other institution either as an in-patient or an out-patient, and if so the period for which recommended.

NOMINAL ROLL of Sick and Wounded from the * FRANCE Expeditionary Force
admitted on 14/5/17 from Hospital Ship _____ or
Dover.

* Here insert which Expeditionary Force.

The nature of the casualty is required for telegraphing details overseas. If the details given are insufficient, reference back to the hospital for further information is rendered necessary. The following instructions should therefore be carefully followed in all Colonial cases:

- (a) In the case of sickness, the nature and degree should be stated, e.g., enteric, slight.
- (b) In the case of wounds, the nature of the wound, the part of the body affected, and the severity of the injury should be stated, e.g., gunshot, skull, severe.

If a limb has been amputated the fact should be recorded.

NOTE.—Two copies of these Rolls to be forwarded, not later than the day after admission:

- (i) One copy direct to the War Office, Alexandra House, Kingsway, W.C.
- (ii) The other direct to the O. i/c of Records of the Colonial Contingent concerned.

Admissions to the outlying sections of the hospital should be shown separately. If the distance of these sections should render it impossible to forward the rolls the day after the admissions, the sections should be instructed to send lists (on these Army Forms) direct to the War Office, and to the Colonial Contingent Record Office concerned.
