STATEMENT OF PRISONER OF WAR

2615, Pte. Jack Hallett - 26 Balsam Street, City

Enlisted April 1916 - Proceeded Overseas - July 1916

Company in France - "A" Company

Place & Date of Capture - Monchy-le-Preaux. April 14th, 1917

Circumstances of Capture - There were only six left of our Company as far as I could see and we were in a shell hole, waiting our chance to get back to our lines under cover of darkness. But when the Germans broke through on our left we found ourselves completely surrounded and so were taken prisoners.

Details of Life & Treatment under Capture - After a few days at Douai and Fort McDonald, Lille I was sent to Guesnain for about 3 months. I had a pretty rough time of it here, as there was practically nothing to eat, and we had to look for tins or any kind of a receptacle on the ground to drink our watery soup from. We had no blankets and had to sleep on the concrete floor just as we were. The guards and sentries were very harsh and were always on the look out to report us and have our bread ration stopped. If we slacked a moment in our work they would beat us with a stick or the butt of a rifle. The work was very hard and the hours very long, and we were not given any pay for our work. Then I was shifted to Germany and was sent to Dulmen Camp for a month. I was so weak from the strain of the work and the scarcity of the food that I had to go to hospital there. Then I was sent on to Jessup(?) and was put to work in a bakery. After a week there I had to give up and go to Hospital again at Parchim. After about 10 days there I was sent out to work on a farm at Kublank, and was kept there until the Armistice was signed. Shortly after I got to the farm the Red Cross parcels began to arrive, and then I began to pick up again and got much stronger. With the arrival of the parcels the conditions got better but they used to charge 4 cents each on the ~~practic~~ parcels and our pay was 6 cents a day. I was repatriated via Copenhagen and arrived at Hull on January 14th, 1919.

Descriptive Return of a Soldier Discharged on Account of Disability.

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the Office Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
