Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) *The rates of pension vary directly according to whether the disability is, (A) caused or aggravated by service in the present war, (B) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.*

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

1. (a.) State whether the disability is clearly attributable to—

(i.) Service during the present war; *y/ea*

(ii.) Climate; *y/ea*

(iii.) Ordinary military service; *r*

(iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or *v*

(v.) Whether it is constitutional or hereditary. *v*

(b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it? *G. I. H.*

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which? *r*

23. Is the disability permanent? *y/ea*

24. If not permanent, how soon do the Board recommend re-examination? *r*

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?

Degrees of disablement should be expressed in the following percentages:— 100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil. *40.*

26. If an operation was advised and declined, was the refusal unreasonable? *v*

27. Do the Board recommend—

(a) Discharge as permanently unfit, or *y/ea*

(b) Change to England? *r*

28. If discharge is recommended it should be stated whether further medical treatment (including orthopaedic training) is desirable in a—

(a) Sanatorium;

(b) Hospital;

(c) Convalescent home;

(d) Asylum; or

(e) Other institution either as an in-patient or an out-patient, and if so the period for which recommended. *as out-patient for 6 months*

29. With reference to Army Council Instruction No. 144 of 1917, is any surgical appliance recommended? *r*

30. Does the man require the constant attendance of another person? *No*

Captain Linnell

Dear Sir:-

I write to ask you. if you could send me any information of my son. 613 private Hubert Keats. This is the second letter I have wrote and have not received a line. But still praying I may. Some day last October I received a note saying he was than in hospital (Sick) so on the note I received. When heard of again. they would report. But not a line since.

I have two sons gone Both went in A. Co. 1st N. F. L. C. Regiment have not heard a word from my other son since August. His number was 203 platoon William Keats have not been reported sick or wounded. So far.

But where the regiment is no one

seems to know. If I could hear from
one of them it would not seem
so bad

If you could send just a line
would be very thankful
I read in the paper any information
required to write to the record office
now I hope to hear soon.

As you know how anxious
a mother is
waiting every mail for a
few lines

But still not a word.
If I could only hear he was well
or why he did not write.

I would be satisfied
hoping to hear from you soon.
I remain

Mrs. Richard Keats,

St. John's, Newfoundland.

Madam,-

Referring to your letter 10/2/16, the latest reports available are that your son, No. 613 Pte. Hubert Keats, was admitted to the 17th. Stationary Hospital, Port Tewfik, Egypt, on 14/2/16. He was stated to be suffering from "N.Y.D." which means that his case was not yet diagnosed.

I understand that you had previously written to the Newfoundland War Contingent Association for information, and at their request a cable enquiry was despatched by this Office, and they have written you accordingly. On receipt of your letter a further cable enquiry was despatched from this Office, but so far no reply has been received. Meanwhile as there are no further reports to hand it may be reasonable to assume that his case was not serious, and there would therefore appear to be no grounds for any undue anxiety on his behalf.

With regard to your other son, No. 203 Pte. William Keats, there is no information to indicate but that he is still with the 1st. Battalion.

I have the honour to be,
Madam,

Your obedient servant,
