REPLY

Dated 4th July, 1919

Please return ORIGINAL and retain DUPLICATE

With reference to the attached slip covering list of effects returned to this country belonging to the above mentioned deceased Officer, it is noted that of the two bales noted thereon, one is marked out. The rest of the effects namely One small package, and One Bale have been dispatched to the father of Lieut. Langmead. Mr. Langmead states that he has reason to believe that two bales were among the effects of his son, and has requested us to investigate. I should be glad, therefore if you could explain whether the second bale mentioned above was cancelled in error.

Kindly return Slip with your reply.
