If you wish to have Miss Murphy receive the money regularly, you will have to make application to your Commanding Officer, to make a new allotment, and also you will have to write the Bank of Montreal here, to pay the amount at your credit to Miss Murphy, and have your letter signed by your Commanding Officer also.

Dear Sir

I received a letter from my Cousin Miss Lena Murphy, Humber Mouth, Bay of Islands, asking me to write you in reference to my allotment, as she had written to you asking what was the reason she had not received any money of the allotment of 70 cts Per Day, which I had left in her name. I can't see how this mistake took place, as it was made out plain enough & it was left to her (Miss Lena Murphy). If you look up the records I hope you will be able to find it & get the allotment sent on to her. Hoping this will bring things straight & satisfy you, as to who I left the allotment & wishing you every success in your work of getting

Descriptive Return of a Soldier discharged on account of Disability.

INSTRUCTIONS.—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Commissioners of Chelsea Hospital.

NOTE.—(i.) Here insert which Expeditionary Force.

The nature of the casualty is required for telegraphing details overseas. If the details given are insufficient, reference back to the hospital for further information is rendered necessary. The following instructions should therefore be carefully followed in all Colonial cases:

- (a) In the case of sickness, the nature and degree should be stated, e.g., enteric, slight.
- (b) In the case of wounds, the nature of the wound, the part of the body affected, and the severity of the injury should be stated, e.g., gunshot, skull, severe.

If a limb has been amputated the fact should be recorded.

NOTE.—These rolls should be forwarded direct to the War Office, Alexandra House, Kingsway, W.C., not later than the day after admission; envelopes to be marked C. 2, Casualties; rolls are not to be telegraphed in advance. The duplicate of the rolls should be sent to the Officer in charge of Records of the Colonial Contingent concerned.

Admissions to the outlying sections of the hospital should be shown separately. If the distance of these sections should render it impossible to forward the rolls the day after the admissions, the sections should be instructed to send lists (on these Army Forms) direct to the War Office, and to the Colonial Contingent Record Office concerned.
