Dept. of Militia,

17th Dec. 1919.

  
Dear Sir,

I have been informed that the members of the First Contingent who could not avail themselves of the home leave are receiving two months pay and allowances in lieu thereof.

I did not come to Newfoundland on above leave, as I was doing duty as Second in Command at the Depot, Winchester, and had also obtained special leave in 1916, through the 88th Brigade Headquarters, France, to proceed to Newfoundland on urgent and private affairs; in which case I want to point out I paid all my travelling expenses.

If this information with regard to allowances is correct I wish hereby to claim for same.

Thanking you in anticipation of an early reply,

Yours truly,

  
Major.

My dear March,-

I have received your letter enclosing two receipts for 10/- each, and these together with one you gave me before leaving have the necessary attention. Your Pass Book was sent to the Bank, but at the moment I am not aware if they have sent it to you direct. I understand you want it made up and sent on to you.

Glad to hear you had a pleasant voyage; meanwhile I may say that your letter and one from Steele are the only communications I have had, no official ones, no Nominal Roll.

Dear Capt Timewell,

I am sending you  
under separate cover some  
small Books and Pay Books  
also a cigarette case with some  
trinkets enclosed. This case and  
trinkets were taken from the pockets  
of #975 Pte. W. J. Murphy.

These books etc were owned by two  
men of D.C. who have been killed.

After you have finished with the  
above articles would you kindly  
send them to their correct home  
address. We are having things  
a bit rough with a scourge of  
flies and louse but as the

weather is getting colder I guess  
the former will soon leave but I  
fear the latter will increase & multiply.  
I hope Gerald H. is in London we  
do not know what happens after our  
leaves here, if you see him tell him  
we all hope his shoulder wound is  
not serious & that so far we are  
all (D.C.) O.K. I wish you were  
here to amuse us with your stories  
but keep on getting fresh ones and  
you can pour them on any of us  
who get back. The men have  
had a great cutting up with  
sickness & it still goes on.  
I would like to hear from you  
if you get a chance.

Yours etc.

Newfoundland Contingent,  
Pay & Record Office,

26, November, 1915.

My dear March,-

Yours of 19/10/15 received  
together with one from O'Brien dated  
4/11/15.

The cigarette case with trinket  
&c. inside has been received also several  
pay books, but unfortunately none of them  
contain Wills which is going to complicate  
matters considerably regarding settlement  
of their estates, and on this  
subject I have addressed a memorandum to  
the O.C.

The batteries have been posted  
under registered cover.

Gerald Harvey came in yesterday after a long spell in Hospital, looks well and is anxious to get back, although I mentioned that it will be some time before he is fit for that.

Glad to have a line from you, and hope you are able to keep fairly fit in spite of the horrible discomforts and hardships you have to undergo.

With kind regards,

Yours sincerely,

From J.W. March, Major.

Sir,

I am still a little in doubt as to whether my rate of pay as Major starts from 1st July as per Royal Gazette July 31 or as per your letter which states 15th July. Would you kindly put me right on this matter, please.

The Newfoundland Gazette of 31/7/17 states:

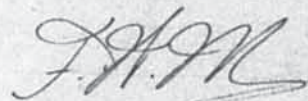

"The promotion of Major March is to date from July 1st. (Correcting Royal Gazette July 23)"

It is regretted that this information was not forwarded to you subsequent to my letter.

You have been credited with pay as Major from 1/7/17.
