Statement of Evidence.

I was H. P. O. of the Piquet on the evening of the 7<sup>th</sup> inst. I received a telephone message from the Richmond Police Station at 5.30 pm to the effect that No 5039 Mr Martin J. of Newfoundland Regt was there under the influence of liquor. I sent an ambulance for him. Capt Monaghan for the Orderly Officer saw the patient on his arrival & certifies that he was under the influence of liquor. On the patient being moved he got up & said he could help himself. He then appeared to be quite normal & was quiet & orderly. I placed him under open arrest.

**OPINION OF THE MEDICAL BOARD.**

NOTES.—(1) Clear and definite answers are to be filled in by the Board, as, in the event of a man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

Expressions such as "may," "might," "probably," etc., are to be avoided.

(ii.) The rates of pension vary according to whether the disability is (a) caused or aggravated by service in the present war. (b) Due to causes not connected with the present war, viz., (1) Previous active service. (2) Climatic diseases in pre-war service. (3) Ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

21. Give diagnosis and particulars of:—

(a) Any disability claimed or discovered. *Pain left side*

(b) The present condition thereof.

*Phlebotomy cough at night. No accompaniment in lung. States that has pain near left hipple*

Dept of Militia :

I received my allotment  
the ninth of July \$13.80  
But nothing about  
my separation  
allowance. As I'm  
entitled to the same.

I wrote my brother  
P/O. F. Backett 4691.  
to make enquires.

He saw Sergeant  
Arbuthnot at Barracks  
about the same.

He told him my allotment  
was made June 8/6/18.  
But our Certificate

was not sent down  
to the Militia Dept.  
I guess that's where  
the trouble is.

## Descriptive Return of a Soldier Discharged on Account of Disability

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i. c. Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

Dear Sir

While reading the (Evening Telegram) a few days ago I noticed a paragraph there for the information of the next kin of the Soldiers mentioned, My Husband being among the Number 5039. I thought it necessary to write you.

I may say that my husband hasn't had any work since last June, working on the bank of Commette. He is now at his home Str. Lyase, while my child & myself am depending entirely on my father for support.
