Dear Sir: -

I wish to inform
you that on Sept. 25th my
husband, 2285 W. E. McHenry,
was promoted to 2nd Lieut
when the Regimental Sep-
eration allowance started
in October he was paid
at a Sergeant's rate & has

increased. It is included
in the cheque mailed $6\frac{2}{18}$

J.R.G.

been up to the present time
 $\$20.00$ per month & it should
be $\$80.00$

This then leaves an adjust-
ment to be made from the
beginning of the separation
allowance & which I trust
may receive prompt attention
& thanking you in advance
for anything you may do to
correct this omission

I am,
yours very truly,

Dear sirs -

In answer to a cable I had from Major Nangle wishing me to give you the map reference of Lieut Frank Burke's (K in A. 14-10-18) grave. Sheet 29 N.W, G.9 c 3.4 is the closest reference I can give as to where he was killed & although I do not know just where he was buried it is probably close to this map reference.

Yours truly

Dear sirs:-

Have never received either the Victory or Allie's medal nor a service button. Can these be sent on to me.

There is also a matter of ninety odd dollars due me on clothing allowance, which I have not received, the last I heard of the matter was that it was pending the decision of the Prime Minister.

Hoping you can give me information on these points I remain. Yours truly

Dear sir:

In answer to your
letter of Nov 22-39 I AM: GC.
wish to state.

my condition being
such that it required treat-
ment without further delay.
On receipt of your previous
letter stating the board
would stand the expense
up to an amount equal
to what it would cost in
the Marine Hospital.

I started receiving a
course of treatments by a
specialist in mental disorders

11
(Dr. Duglay) the advantage
being that the patient can
continue his normal
routine (work etc) during
the treatment.

The bill for this treatment
I can have sent direct to
you from the Doctor, or if
preferable I can pay the
Doctor & send you a
notarized statement of the
amount paid him. I
would expect the amount
equal to the cost of
marine hospitalization
refunded to be.

Yours truly

Dear Sir,

In reply to your letter of the 14th. December 1939, I am instructed by the Board of Pension Commissioners to request that you would please have me furnished with a bill in connection with treatment by your doctor. On receipt of this information you will be further advised.

Dear Sir,

With further reference to your letter of September 6, 1939, the Board of Pension Commissioners on enquiry have found that it would be much more satisfactory if you would arrange to have treatment for your war service disability carried out at the Veterans Administration. During hospitalization the cost of treatment would be borne by this Department and in addition you would be eligible for hospital allowance. Assessment of pension after discharge from hospital would depend to what extent you are incapacitated from following your occupation.

Please advise me if and when you would be prepared to undertake hospitalization.

Yours very truly,

Dear Sir:

Reference is made to Department's letter of October 14, 1939 which requested an opinion as to the possible results of treatment by Dr. H. A. Dingley, Detroit, Michigan, for the above named Newfoundland ex-service man, Lieutenant, which he stated could be secured at a cost of \$50.00.

The matter was referred to the Facility at Dearborn, Michigan for attention and letter dated October 27, 1939 from the Chief Medical Officer is quoted for the information of the Department.

"In this connection, this office is unable to identify the physician named in your communication. We are therefore unable to make a recommendation in this matter.

The cost of care in this hospital would in all probability exceed the amount of \$50.00, inasmuch as we cannot with propriety render an opinion as to the number of days for in-patient care. This can only be determined by the patient's physical ability to complete restoration and normalcy."

Very truly yours,

Dear Sirs,

The above named is suffering from hemorrhoids which is accepted as a war service disability and treatment has been authorized at the United States Marine Hospital. In reply to our letter authorizing this treatment, Mr. McHenry states that he cannot afford to lose the time away from his work which this treatment would entail in Hospital, but he claims that he knows a specialist, Dr. H. A. Dingley of Detroit, who will guarantee him a complete cure without any necessity of lost time away from his work by a course of treatment involving a cost of \$50.00

I am instructed by the medical adviser to ask your opinion as to the possible results of this treatment and how the cost compares with treatment furnished by your administration.

Dear Sir,

I am in receipt of your letter of September 6 asking permission to have the treatment in respect of haemorrhoids performed by your own Doctor.

The Board is prepared to allow you to have this treatment carried out as you wish by your own doctor provided that the charges are not in excess of those made by the U.S. Veterans Administration against the Department for similar treatment. I am writing to-day to the Veterans authorities asking them for their rates in this connection.

On receipt of this information you will hear further from us.

Dear Sirs:

Reference is made to Department's letter of November 7, 1938 which advised that the recommended hemorrhoidectomy was approved in the case of the above-named Newfoundland ex-service man, Lieutenant.

Mr. McHenry reported to Veterans Administration, Detroit, Michigan on November 26, 1938 and advised that as he is not in receipt of pension he cannot afford to lose time from his work to go to the hospital at this time. No further action will be taken on the case.

Very truly yours,

CHAS. M. GRIFFITH,
Medical Director.

Dear sir.

In reference to attached letter, I have a card sent to me, giving me permission to enter the U.S. Marine hospital for treatment. I have found it would mean a period of several weeks away from my work. (Time which I cannot afford to lose)

On the other hand I know a specialist Dr. H. A. Duglay, of Detroit who will guarantee me a complete cure with no necessity

of lost time at work, by
taking a course of treatments
costing fifty dollars (\$50.00).
Will the pension board
honour the bill if sent
by Dr. Duglay, after I
have taken the treatments.

If the board does not
wish to consider this
method of disposing of
my case, I would appreciate
at least a reply to my
request:

Mr. J. A. McGrath:-

My dear Sir:-

This will certify that I have known and professionally attended Mr. William McHenry since 1922. At that time he was afflicted with hemorrhoids and also with a bronchial condition both due to Army service. In spite of treatment the hemorrhoids recur and the bronchial condition due to gas remains unchanged.

Both conditions are at present disabling and will continue to be so.

Sincerely
Dr. Daniel M. Clarke

Nfld Board of Pension
Dear sir

Upon the return of the R. Nfld. Regt. from overseas in 1919. I was given a medical examination & the records will show was given a pension of \$8.00 per month, due to the fact that I had while overseas developed hemorrhoids & also that my lungs were slightly affected from gas.

I was to receive a further examination in 6 months, but never had it. & at the end of six months the pension was discontinued.

2

Since that time I have spent considerable sums for medical attention due to above causes & being financially able to do so, have never taken the matter up with the board.

Due to present conditions am obliged to ask for some settlement which I believe am entitled to.

Would appreciate any information you could give me as am entitled to.

- (a) Any back pension
- (b) Lump sum in settlement of any claims

33

I might have
(c) Payment of Dr Bills
caused by my service
