Dear Hughie,

I don't know whether you remember me or not, perhaps you do through Harold.

I am at present a 2nd Lieut. in the 3/5th London Regt, and quartered down here on an officers course.

I have been trying to get a commission for Harold, and at the present time his papers are on the way out to him for his signature, and everything will be O.K. if he can get his C.O.'s consent. I

asked Miss Shears for your address, as I imagined you would be able to let me know if his transfer could be worked from this end, and whom I should have to see about it.

I should be very much obliged if you would drop me a line, giving me that information.

Very truly Yours,

John B. Mitchell

Dear Jack,

I have been away for a few days, and am very sorry I have not had time to answer your letter. In answer to your query regarding Harold, I think it would be a pity if you endeavoured to get a commission for him in any other regiment but his own. I am sure that with the record he has, he ought to be one of the first to get promotion, and I think the O.C. will see this when he is asked to sign the application. If Harold is determined to get into another regiment, I think you have gone the shortest way about it, as he will have to sign the application himself.

We have already lost too many of our best men by transfer, and I hope you will persuade Harold to remain where he is.

Wishing you the compliments of the season,

Descriptive Return of a Soldier Discharged on Account of Disability

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital in which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station," and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
