It is desirable to send this man to Newfoundland. If it is stated by you that he cannot be fit for duty for some time I may be able to arrange to send him home on sick furlough.

With reference to minute opposite, I beg to state that it will be some considerable time before Pte Munn is fit for duty.

Dear Capt. Linnell,
My son Errol
who is at the
Dardanelles has
written for some
things he is needing
including a pair
of boots, and as
there seems to be

a question. I'll take
out my all getting
the parcels sent
them. I wanted
to ask you if you
would kindly
see that these
parcels to him,
are forwarded the
very first opportu-
nity. I am quite
sure you are very
wise, and I

did hesitate, but they
low. But I must
plead my very
great anxiety that
these things should
reach him, as
soon as possible.
Thanking you,
and trusting that
these necessary
things - books and
under clothing -
will be sent on
prompt as soon

2152/1.

10, December, 5.

Dear Mrs. Munn,-

Up to now three parcels have been received at this Office and forwarded to your son in accordance with postal arrangements, but from various reports it would appear that losses and delays take place after leaving this Country, and I may say that this has formed the subject of considerable correspondence with Newfoundland.

I understand that due notification of ^{obtaining} disabilities has been or will be made public in St. John's. Meanwhile any further parcels or letters received here will be sent on as hitherto, unless I am requested to the contrary.

I may add that although all care is taken in the redirection of parcels and letters in accordance with the latest known addresses of Officers and Men, changes may take place from time to time outside the immediate knowledge of this Office, and if for example an addressee had been meanwhile moved to another part of the sphere of the Mediterranean Expeditionary Force, it is extremely doubtful if parcels would be directed again to him.

Yours very truly,

Capt.

Paymaster & C. 1/c Records.

NOTES:—

- (a) This report is solely concerned with Pensions.
- (b) A single copy only is required.
- (c) "Aggravated" being now a technical term, carrying right to pension, discrimination in its use is essential.
- (d) Be as brief as possible compatible with lucidity.
- (e) Avoid dubiety—"perhaps" "possibly" "might" and the like.
- (f) Only sufficient clinical data need be given to establish the degree of disability and assist the Board in arriving at a decision.

Dear Sir;

Your favor of the 14th, to hand and I might say it was at my own request that I asked to take furlough in Newfoundland ,

This request went through hospital authorities in London to Commanding Officer at Ayr

I could give names of others who returned under the same conditions as I did and were paid on application.

Again I might also state that it was understood before leaving N.F.'L'D. that we would be returned without father cost.

Awaiting your father favor

Dear Sir,-

Referring to your application for re-fund for cost of passage from the United Kingdom to St. John's, I have been directed to ask you the conditions under which you returned to Newfoundland. Please state, whether your furlough was granted at your own request or otherwise, if the former, no doubt you understood that in such case you would have to bear the cost of your own passage.

The nature of the casualty is required for telegraphing details overseas. If the details given are insufficient, reference back to the hospital for further information is rendered necessary. The following instructions should therefore be carefully followed in all Colonial cases:

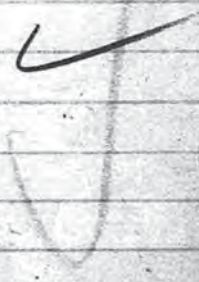

- (a) In the case of sickness, the nature and degree should be stated, e.g., enteric, slight.
- (b) In the case of wounds, the nature of the wound, the part of the body affected, and the severity of the injury should be stated, e.g., gunshot, skull, severe.

If a limb has been amputated the fact should be recorded.

NOTE.—These rolls should be forwarded direct to the War Office, Alexandra House, Kingsway, W.C., not later than the day after admission; envelopes to be marked C. 2, Casualties: rolls are not to be telegraphed in advance. The duplicate of the rolls should be sent to the Officer in charge of Records of the Colonial Contingent concerned.

Admissions to the outlying sections of the hospital should be shown separately. If the distance of these sections should render it impossible to forward the rolls the day after the admissions, the sections should be instructed to send lists (on these Army Forms) direct to the War Office, and to the Colonial Contingent Record Office concerned.
