Opinion of the Medical Board.

Notes.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) *The rates of pension vary directly according to whether the disability is, (a) caused or aggravated by service in the present war, (b) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.*

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

1. (a.) State whether the disability is clearly attributable to—

- (i.) Service during the present war;
- (ii.) Climate;
- (iii.) Ordinary military service;
- (iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or
- (v.) Whether it is constitutional or hereditary.

Yes.
-
No
No.

(b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it?

Gr. S. S.

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which?

-
No

23. Is the disability permanent?

No

24. If not permanent, how soon do the Board recommend re-examination?

See minutes

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?

100.

Degrees of disablement should be expressed in the following percentages:—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil.

26. If an operation was advised and declined, was the refusal unreasonable?

Yes or 16.

27. Do the Board recommend—

- (a) Discharge as permanently unfit, or
- (b) Change to England?

Yes

28. If discharge is recommended it should be stated whether further medical treatment (including orthopaedic training) is desirable in a—

- (a) Sanatorium;
- (b) Hospital;
- (c) Convalescent home;
- (d) Asylum; or
- (e) Other institution either as an in-patient or an out-patient, and if so the period for which recommended.

— as an out-patient & of course - patient.

Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Commissioners of Chelsea Hospital should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is attributed to (a) active service, (b) climate, or (c) ordinary military service. It is therefore essential when assigning the cause of the disability to differentiate between them (see Articles 1162 and 1165, Pay Warrant, 1913.)

(iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

20. (a) State whether the disability is the result of (i.) active service, (ii.) climate, or (iii.) ordinary military service.

G. S. W. in action in France

(b) If due to one of these causes, to what specific conditions do the Board attribute it?

21. Has the disability been aggravated by

(a) Intemperance?

no

(b) Misconduct?

no.

(c) Any of the conditions mentioned in question 20, and if so, which?

no

22. Is the disability permanent?

yes.

23. If not permanent, what is its probable minimum duration?

—

To be stated in months.

24. To what extent is his capacity for earning a full livelihood in the general labour market lessened at present?

(1/2) Half for twelve months.

In defining the extent of his inability to earn a livelihood, estimate it at $\frac{1}{4}$, $\frac{1}{2}$, $\frac{3}{4}$, or total incapacity.

24A. Is the man suffering from a disability which would obviously, as far as you can judge, cause him to be rejected by an Approved Society under the National Insurance Act?

no

25. If an operation was advised and declined, was the refusal unreasonable?

See 16.

26. Do the Board recommend

(a) ~~Discharge as permanently unfit,~~

or

(b) ~~Change to England?~~

Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is, (A) caused or aggravated by service in the present war, (B) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

1. (a.) State whether the disability is clearly attributable to—

(i.) Service during the present war;

Yes

(ii.) Climate;

—

(iii.) Ordinary military service;

(iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which?

—

23. Is the disability permanent?

No. six months

24. If not permanent, how soon do the Board recommend re-examination?

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?

Degrees of disablement should be expressed in the following percentages:—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil.

100

26. If an operation was advised and declined, was the refusal unreasonable?

Vide 16

27. Do the Board recommend—

(a) Discharge as permanently unfit, or

Yes

(b) Change to England?

28. If discharge is recommended it should be stated whether further medical treatment (including orthopaedic training) is desirable in a—

(a) Sanatorium;

(b) Hospital;

(c) Convalescent home;

(d) Asylum; or

(e) Other institution either as an in-patient or an out-patient, and if so the period for which recommended.

as an outpatient & if necessary inpatient

29. With reference to Army Council Instruction No. 144 of 1917, is any surgical appliance recommended?

Sir:-

I have the honour to forward herewith an application received from No. 1896 S.Q.M.S. W. Newbury, who is applying for a commission in the Royal Newfoundland Regiment.

I may say that S.Q.M.S. Newbury was demobilised prior to the date of this application; and even had the application been received before his demobilisation, I should be unable, on military grounds, to recommend the granting of a Commission. During his tour of duty in the Pay Office, he has proved himself to be a very valuable official, and his promotion from non-commissioned rank to Warrant rank has been in accordance with the responsibilities and the nature of the work he had to perform. It is considered that his case has been fairly dealt with, and I recommend that answer may be sent to his application regretting that it cannot be accepted.

I will ask for your approval on the balance that which is \$329 ⁹⁰/₁₀₀ as I have drawn Post discharge Pay when first discharged by granting me this request you will greatly oblige.
