Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is, (A) caused or aggravated by service in the present war, (B) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

1. (a.) State whether the disability is clearly attributable to—

- (i.) Service during the present war; *yes*
- (ii.) Climate; *✓*
- (iii.) Ordinary military service; *✓*
- (iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or *no*
- (v.) Whether it is constitutional or hereditary. *no*

(b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it? *ESW*

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which? *✓*

23. Is the disability permanent? *yes*

24. If not permanent, how soon do the Board recommend re-examination? *✓*

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present? *100*

Degrees of disablement should be expressed in the following percentages:—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil.

26. If an operation was advised and declined, was the refusal unreasonable? *no 16*

27. Do the Board recommend—
(a) Discharge as permanently unfit, or *yes*
(b) ~~Change to England?~~

28. If discharge is recommended it should be stated whether further medical treatment (including orthopaedic training) is desirable in a—

- (a) Sanatorium;
- (b) Hospital;
- (c) Convalescent home;
- (d) Asylum; or
- (e) Other institution either as an in-patient or an out-patient, and if so the period for which recommended. *outpatient for massage & electricity*

29. With reference to Army Council Instruction No. 144 of 1917, is any surgical appliance recommended? *suitable support of hand*

30. Does the man require the constant attendance of another person? *no*
