Sir Walter Davidson, K.C.M.G.
Governor.

Dear Sir,

Lady Davidson paid us a visit this afternoon and she advised me to write you, and state the case of my illness.

I have had a severe attack of Dysentery and have been left with an affected heart, which means that I will not be fit for heavy duty again. I am likely to be leaving hospital soon, and be recommended for very light duty, or even my discharge. I would rather not take my discharge, and would like very much to get some light duty in connection with the Regiment at home. Seeing that I am a Company Quartermaster Sergt. perhaps there may be some light duty I could do in connection with the Quartermaster Stores, Headquarters. I should be very thankful if Your Excellency would consider my case.

With reference to my letter of a day or two ago authorising sixty one days' pay and allowances to Lieut. C.C. Oke, I regret that an error occurred, and the correct number of days should be fifty two. I have spoken to Mr. Oke about this, and I should be glad if you will get refund from him of nine days' pay and allowances
