20/8/16.

My dear Timewell.

I received from you last night,
forwarded from Ayr, a pair of
binoculars and a compass.

They were addressed to my brother,
(H.O.), but I suppose were intended
for me, as he did not put in
for any binoculars.

I am returning them both to you
by parcel post and hope you
will not think me a great
crank.

The glasses are exceedingly good ones but do not appear to me to be in first class order.

The prisms of the left optic are spotted and in damp weather I imagine that sort of thing is likely to spread. It is most

easily noticed by looking through the wrong end, holding the glasses about 6 inches from the eye. It

seems possible that the same fault may have been detected before as I notice the screw heads on that side are all damaged. There is also a small chip out of each

of the small glasses in the eye-pieces but that does not appear to matter.

The compass also is out of gear in that the shutting of the cover does not lock the mechanism as intended. This seems to me rather an important point.

What I wanted was a prism compass, but had to get one like the one you sent in Edinburgh last week. However if this had been all right I should have kept it; as I don't suppose it is very expensive and an extra one might come in handy. I hate to bother you in this

may, and after this am afraid
you will feel 'To - with me
& my glasses, but in case you
don't, may I ask what the
chances are of your being able
to get me another pair just
as good as these but without
their faults? - or could I
get as good a pair myself
direct without troubling you?
Would they be much more
expensive and would I be
likely to get a pair rejected
by the W.O.

I suppose both the binoculars
& compass will be credited

2.

to Herbert's account on
receipt.

I was very glad both for
your sake and his that
Gerald is installed at
ss Victoria Pt. & hope he
will stay there if that
is the only means of
preventing him from
flying.

I hope you are enjoying
your much needed and
well earned holiday.

With many apologies for
being such a damned nuisance,
& many thanks for your
trouble.

Yours sincerely

H. A. Outbridge.

Dear Major Timewell,

I have your letter of the 5th inst., and I note that Mrs. Outerbridge, wife of the late Lieut. Outerbridge, desires to return to Newfoundland in January next. I enclose one of Col. Obed Smith's forms and, if you will be good enough to ask her to fill in and return same to me, I will have her put on the list for a guarded Liner or a Transport sailing about January next. I do not know whether Mrs. Outerbridge has a

passport or not, so I enclose a passport application form. This requires to be filled in and certified, with two copies of her photograph also certified, and if you will get her to return that to me also I will have her passport put through the Foreign Office.

I trust this will give you the information you desire.

To Sir Joseph Outerbridge,
London.

Dear Sir,

Your letter of July 30th reached me to-day and I am very sorry to hear that your son Lieut. Norman Outerbridge is reported wounded and missing since our attack on April 14th. Your son was in charge of No. 15 Platoon, "D" Co. and I was in charge of No. 14 Platoon, hence was in a position to see some of the mornings doings. My platoon went over the top in the first wave, we being the left of our battalion. Your son's platoon was in the second wave which would be about 30 or 40 yards behind mine. After we had advanced close on 300 yards our ranks had become considerably thinned. All our officers had been knocked out with the exception of Mr. Norman, and he was wounded in the leg, he however did not flinch, but with the pluck and bravery becoming an English Officer he rallied the remainder of good old "D" Company and limping, he gallantly led us on our way. After progressing another 100 or 150 yds we received the full force of the enemy's machine gun fire, and were forced to take cover. On again rising and moving forward your heroic son was not with us and I concluded that his wound had become too much for him and that he had rested, however I did not see any more of him, and on being captured some time afterward. I made enquiries of the men belonging to "D" Coy., but they could give no other information. Your son's actions on that memorable morning will forever remain in the minds of those who were with him as his courage and perseverance inspired us all in the face of great odds, but our little band (we numbered scarcely ...) were eventually surrounded by the enemy and forced to surrender. During the day the Germans brought in many of our wounded and perhaps Lieut Norman may be amongst the number. I trust such is the case and that you have heard better news ere now. There were of the Nfld Regt. captured unwounded. They are now distributed in various working camps and whilst at first conditions were not of the best they have vastly improved and we are becoming comfortable. In this camp with me are two other Nflds, No. 523 Pte Smythe and 2214 Pte Hudson. They work each day and are quite well. Sergts. and Corpls. do not work but are in charge of parties. I am in charge of 50 men who work at an electric plant and whilst the work is interesting it also helps to pass the time away. We are looking forward to receiving our parcels and we would be much obliged if the good people at home would send along some magazines or papers printed before the war. We are allowed to write two letters monthly and a postcard each week, so in case our people at home do not get news often they can understand matters.

Trusting you have received better news and hoping all our people at home are well and know of our whereabouts,

I am,

Yours very truly,

Dear Sir Joseph,

I duly received your letters of 28 and 30/10/17. The latest information I have with regard to the Governor is from his son who states that Lady Davidson will not be coming over and so far as he is aware Sir Walter should arrive between the 10th and 15th inst. A list of proposed invitations to guests and subscribers is enclosed for your information and any proposals you may desire to make.

I have not yet heard when Sir Alexander Harris is going out, but in a letter he sent me a little while back in reply to one of congratulation from me, he said that he would let me know in due time.

I am making enquiries with regard to a passage for Mrs. N. A. Outerbridge and will advise you of results in due course.

I must thank you for the interesting communication from Sergt. Moakler which accompanied your letter of 30/10/17 and feel sure that you will be agreeable to a copy being sent to the Minister of Militia which I am arranging.

Of the 74 prisoners who were reported as registered at Limburg 34 have since been heard from by this office.

Dear Mrs. Outerbridge,

With reference to your letter 9/12/17: I have asked Mr. Marshall about your husband's kit and he cannot remember how many packages he told you were here but thinks it quite possible that he may have mistaken Lt. H.A. Outerbridge's initials for your husband's, as the names were entered one below the other in the Effects Register as follows:

Lieut. N.A. Outerbridge	7 packages,
" H.A. "	7 " .

I shall be glad if you will kindly complete the enclosed Indemnification form and return it to this office - a formality which is necessary when effects are handed over other than under course of law.

With regard to your passage to Newfoundland, I think I have told you that your name has been put down for accommodation on an escorted steamer sailing about January next. As you will be aware these opportunities are exceedingly limited and under the circumstances you may not wish me to attempt to alter the preliminary arrangements for the time being, especially in view of the fact that Captain Keegan's movements must of necessity remain very indefinite for some little time and as there is no certainty that he will be able to travel in January perhaps you may not wish to risk your own chance of a passage by deciding to wait for him.

Lady Outerbridge,
Langham Hotel,
London.

Dear Lady Outerbridge:

Prisoners of War.

I have just received your letter of yesterday's date.

The only Hogan that is known by the Pay & Record Office to be in Switzerland is 2252 Pte. B.J. Hogan, Hotel Alpenruh, Murren. This is apparently the man that Vaughan mentions. The Hogan that wrote to Sir Joseph is 1111 Pte. P.J. Hogan, No. 71931, Offizier Gefangenenlager, Clausthal am Harz, Germany. No application was made for his (1111 Hogan's) transfer to Switzerland or England and he is presumably still in Germany.

The address of 1255 Pte. B.G. Hann is Kriegsgefangenen-Stammlager, Friedrichsfeld bei Wesel, Germany. It was known that Hann was a prisoner of war last July when it was stated he was "registered at Limburg." It was only comparatively recently that a definite address reached this Office. This is the only Hann amongst the Newfoundland prisoners. He was not stated to be wounded.

I am afraid I heard nothing of Crummey's story before you told me. His address now is 2965 L.Cpl. R.J. Crummey, C/o Headquarters, Royal Nfld Regt., St. John's, Nfld. His father's address is stated to be Wm. Crummey, Western Bay, Nfld.

I am sorry to say that for official purposes 1692 Cpl. K.S. Newell was presumed dead on 17/11/17, thirty weeks having elapsed since he was posted as missing, and no information having reached this Office to shew that he might be a prisoner of war or ~~was~~ alive.

I am always pleased to give you all the information in my power. As I am sometimes out of town, however, and in order to ensure that your letters get immediate attention by the Office, I would like to suggest that they should be addressed to the Chief Paymaster & Officer i/c Records, Newfoundland Contingent, 58 Victoria St., London, S.W. 1.

Yours very sincerely,

Dear Sir,

Re Lieut. Norman Outerbridge,
Newfoundland Regt. Wounded & Missing 14/4/17.

We have been asked by the relations of this Officer, residents in Newfoundland, to write to you, asking for your assistance in the following matter. Notwithstanding every effort that has been made, no trace has been found of him. Lieut. Outerbridge is believed to have been killed on the 14th April 1917. He happened to be wearing a very exceptional disc, made of silver, exactly the size of the ordinary identification disc, but made in the form of a locket. This locket contained two photographs. On one side an elderly lady and on the other side a young lady. Has such a disc been returned to the Berlin Office of Effects? If so, may we ask you to kindly advise us and arrange for its return through the usual channels.

Yours faithfully,

Hon. Secretary,

Dear Major Timewell

I am afraid I am going to trouble you again about a passage to St. John's - I should like to go ~~at the~~ ^{at the} end of September or any time in October of this year. I think the Sibby is the best of the boats going direct. Many thanks for the increase of pension. I am afraid I cannot send my marriage certificate I did not bring ^{it} over with me but Miss Shea is going to send it to me as soon as possible. Hoping I am not giving you very much trouble

yours sincerely
Mary Outerbridge

P. S. If there is a better boat going about that time do try and put me in.

Madam: Overseas Transport.

With reference to your letter of 4/7/19 (4558): if no more suitable opportunity occurs your passage will be booked on S.S. "Digby", which should sail early in October.

It is regretted that through a misunderstanding your marriage certificate was asked for, and is not required.

I am, Madam,

Madam,

S.S. 'DIGBY'

I beg to inform you that the above steamship owners advise that circumstances necessitate cancelling this steamer's call at Newfoundland, but accommodation will be provided per s.s. 'Sachem' sailing about 9th October.

Kindly intimate by return of post if this is agreeable to you.

I am, Madam,

Dear Madam: Overseas Transport.

With reference to your letter 24/9/19 (5564) and your refusal to travel per "Sachem": provided you can guarantee to be at Liverpool for embarkation, it may be possible to arrange your passage via Canadian port by either of the following steamers:

3rd Oct., "Minnedosa" and/or Steamer,
9th Oct., "Scandinavian" and/or Steamer,
15th Oct., "Metagama" and/or Steamer.

The forward journey from Canadian port will be subject to arrangements as may be made by the Ministry of Militia, St. John's, or by you.

Please telegraph your wishes, which will be submitted to the Ministry of Shipping, London.

Naturally it is understood that whilst every endeavour will be made by this Office to submit definite information, any action on its part is without any responsibility or guarantee whatsoever, and that you accept all risk of whatsoever a nature may appertain or be made to appertain to the present condition of affairs, social, political or otherwise.

Dear Mrs. Outerbridge:

With reference to my official letter of this date, it is naturally regrettable that the "Digby" is not proceeding to St. John's, and incidentally that you are not agreeable to travel by the "Sachem". Meanwhile, I feel sure that you will appreciate that the terms of the official letter are influenced by the present abnormal condition of affairs, and may on the face thereof be more forbidding than I hope may be eventually supported.

I hope that you can arrange transport to Liverpool for either of the dates.

With kind regards,

Yours sincerely,
