- ALLOTMENT.

Referring to your letter 1/12/16; alteration etc. with regard to a soldier's allotment should be approved by his Company Commander. It is recognised that under present circumstances this may not be practicable. The allotment being payable in Newfoundland, to do what you ask will entail notification to H.Q., St. John's, besides other formalities which are better avoided.

Your account to date shows a credit of £7:14:1, which with the approval of the M.O. i/c of your Hospital, on enclosed form, can be sent to you.

Major,

Paymaster & O. i/c Records.

a/c you refer to. I know that
 my service pay which is due to me
 amounts up to a larger sum
 than that, as it is about 3
 months since I drew any pay at
 all. & before that from June to
 Sept: I only drew a small
 proportion of my pay.

I know that £4.10. has been
 drawn for a debit I ordered
 here but other wise I have drawn
 no extra Cash. I kindly inform
 you which as I think there
 is some mistake in the a/c.

Yours faithfully -

STATEMENT OF ACCOUNT.

With reference to your letter of the 13/12/16, statement of your account made up to 14/12/16 is enclosed and shows a credit balance of \$11. 17. 11 at that date. The balance quoted in letter dated 8/12/16 is evidently an error.

Descriptive Return of a Soldier Discharged on Account of Disability

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the Office Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
