Dear Sir,

It was with extreme regret that the Government received a cablegram from the Record Office, London, reporting that your son, Private William Patrick Prowse, had died of wounds at the First General Hospital, Havre, on the 18th instant.

Permit me to express to you on behalf of the Government, as well as for myself, the sincerest sympathy at this time. The loss of our loved ones causes sorrow but there will be no doubt some consolation to you when you think that your brave lad early responded to the Call of King and Country and died with his face to the foe, bravely fighting for the principles of Righteousness Truth and Liberty. We are proud of our young men who have so gallantly come forward at the Call of Duty and also of the noble fathers and mothers who have so willingly given their boys in defence of these great principles. Your son laid down the earthly weapons of warfare, but he now wears the Soldier's Crown of Victory and his name will be inscribed upon the glorious Roll of Honour and be held in fragrant memory by all his fellow-countrymen. When the victory has been won and Peace again reigns upon earth, it will be pleasant for you to think that, in this glorious achievement, he bore no small part.

I trust that you may have the presence and consolation of the Great Father of us all.

With sincerest sympathy,

Believe me to be,

Your obedient servant,

Mr. Chas. Prowse,
53 Bannerman St.

Colonial Secretary.
