Dear Sir,-

I beg to acknowledge receipt of your letter of the 10th ulto., regarding Pte. A. Rees and in reply I am to say that the letter which you have enclosed to this man's father makes no mention of any assignment of pay and up to the present time I have no record of an assignment here.

If Mr. Edward Rees is incapacitated or in need of assistance from his son, I will be glad to take the matter up with the Overseas Paymaster and endeavour to have an assignment made, if you will so advise.

Yours truly,

Sir

Mr. Edward Lees has again asked me to apply to you on his behalf. His son, who joined the 1st Newfoundland Regt. C. S. F., has been a prisoner in Germany since April 1915 and cannot be communicated with. He therefore cannot arrange for any allotment and cannot get any help from Canadian Authorities.

The father is an invalid and the family of four is entirely dependant on the earnings of their boy aged 16 years.

We are all at a loss to know why their son, Dennis, did not leave an allotment, seeing that he always helped them before he enlisted. Naturally the family feel the pinch, hence the appeal to reconsider his application of last year.

Yours truly

I have been instructed to write you asking if this man has made any allotment to his father, Edward Rees of Bell Island, Nfld., and if not, if it is possible to have him do so. From letters received by the father, it appears that Aeneas intended to make him an allotment, but the father claims that he has received no money from you.

Sir

In answer to your letter of 6th inst.
re application of Edward Hess
I have see the Father and he inform
me that Aeneas previous to his
enlistment allowed him half his
wages, and he cannot understand
why the boy made him no allotment.
Personally I dont think Aeneas could
have understood just what he was doing.
It certainly was not because he thought
no provision was necessary. He knew
his father is unable to work through
injuries recievd at the Mines years
ago, and now every year there old hurts
are coming against him work & work.
The Father showed me a letter from Aeneas
in which he said "I have made all arrangements
but did not say what the arrangements were.
I have havent written Aeneas & asked
him to make an allotment as his people
are in need of some provision
I hope the Committee will reconsider this
Case and allow the man something at least
until I get something definite from the Son.

Pardon me once again bringing before
your notice the case of Edward Rees
