**8. Disability in respect of which invaliding is Proposed.**

(Other disabilities should be reported upon in answer to question No. 19).

V. D. H.

Statement of Case.

Note.—The answers to the following questions are to be filled in by the Officer in medical charge of the case. In answering them he will carefully discriminate between the man's unsupported statements and evidence recorded in his military and medical documents. He will also carefully distinguish cases entirely due to venereal disease.

9. Date of origin of disability.

10. Place of origin of disability.

11. Give concisely the essential facts of the history of the disability, noting entries on the Medical History Sheet bearing on the case.

*Since arriving at Depot in July 1918, he has been continuously reporting sick. Examination showed mitral bruit Great pallor, on early morning parade, with breathlessness after exertion. Put on Tonics, and given very light duty without any marked improvement. Was unable to carry on work at Depot*

12. Give your opinion as to the causation of the disability, stating whether in your opinion it is—

- (a) attributable to or aggravated by service during the present war, climate, or ordinary military service. (The specific condition to which it is attributed should be stated, see Notes on page 3).
- (b) constitutional or hereditary, and not aggravated by service during the present war.
- (c) attributable to or aggravated by want of proper care on the man's part, e.g., intemperance, misconduct, &c.

*attributed to military service*

*Constitutional*

13. What is his present condition?

*Weight should be given in all cases when it is likely to afford evidence of the progress of the disability.*

14. If the disability is an injury, was it caused—

- (a) In action?
- (b) On field service?
- (c) On duty?
- (d) Off duty?

15. Was a Court of Inquiry held on the injury?

- If so—(a) When? .  
(b) Where?  
(c) Opinion?

16. Was an operation performed? If so, what?

17. If not, was an operation advised and declined?

18. *In case of loss or decay of teeth.* Is the loss of teeth the result of wounds, injury or disease, directly\* attributable to active service?

19. Give particulars of any other disabilities existing, but not in themselves sufficient to cause invaliding, and state whether they are attributable to or have been aggravated by service during the present war.

20. Do you recommend—

- (a) Discharge as permanently unfit, or
- (b) Change to England?

Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) *The rates of pension vary directly according to whether the disability is, (A) caused or aggravated by service in the present war, (B) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.*

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

*Well nourished, good colour  
nothing in the heart. Stands  
exertion well*

21. (a.) State whether the disability is clearly attributable to—
- (i.) Service during the present war;
  - (ii.) Climate;
  - (iii.) Ordinary military service;
  - (iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or
  - (v.) Whether it is constitutional or hereditary.
- (b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it?

✓

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which?

✓

23. Is the disability permanent?

24. If not permanent, how soon do the Board recommend re-examination?

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?

*Degrees of disablement should be expressed in the following percentages:—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil.*

*nil*

26. If an operation was advised and declined, was the refusal unreasonable?

27. Do the Board recommend—

- (a) Discharge as ~~permanently~~ unfit, or
- (b) Change to England?

28. If discharge is recommended it should be stated whether further medical treatment (including orthopaedic training) is desirable in a—

- (a) Sanatorium;
- (b) Hospital;
- (c) Convalescent home;
- (d) Asylum; or
- (e) Other institution either as an in-patient or an out-patient, and if so the period for which recommended.

29. With reference to Army Council Instruction No. 1275 of 1917, is any surgical appliance recommended?

30. Does the man require the constant attendance of another person?

## Descriptive Return of a Soldier Discharged on Account of Disability.

**INSTRUCTIONS**—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i | c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

Dear Sir:-

You have apparently overlooked a notice which appeared in the local papers, January 1919, to the effect that the Government has authorized the payment of war Service Gratuity to members of the Royal Field Regiment, on the same basis as that paid in Canada, and you have not yet made any claim for the amount due you.

There is a certain amount lying at your credit here, which will be forwarded to you when you return the enclosed form, which must be completed in the presence of a Magistrate or Justice of the Peace.
