INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

Dear Sir,

I write to ask you concerning my war service gratuity.

As I have just received four months service money instead of five, I would like to know why I am not entitled to the five months.

I have been informed from fellows who joined up the same time as I did and they have got the five months service money.

I joined up in Oct. 26th 1916 and was discharged in April 12th 1919. So I think I am entitled to five months service gratuity.

I also served most of my time in France. Trusting this will get your earliest attention.

Yours,

Leslie Rice (Pte 3/80)

OPINION OF THE MEDICAL BOARD.

Expressions such as "may," "might," "probably," etc., are to be avoided.

(ii.) The rates of pension vary according to whether the disability is (a) caused or aggravated by service in the present war. (b) Due to causes not connected with the present war, viz., (1) Previous active service. (2) Climatic diseases in pre-war service. (3) Ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

| (iv.) Ordinary military service before the war | | |
| (v.) Serious negligence or misconduct on the part of the soldier | <i>no</i> | |
- Give details:

22 (a). If not due to any of these causes, to what specific condition do the Board attribute it? *See*

23. Is the disability in a final stationary condition? If not
- (a) How long is the present degree of disability likely to last?
- (b) If the present degree of disability is not likely to last 12 months can a further assessment at a reduced rate be made with reasonable confidence to cover a period of 12 months in all? If so, the reduced percentage and the period to which it will be applicable should be indicated in the answer to Question 24c.

24. (a) What is the degree of disablement at which, in the Board's opinion, he should be assessed at present, independent of hospital or other treatment. (Degrees of disablement should be expressed in the following percentages—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or Nil) (Vide Royal Warrant of 17/4/18 issued as A.O. 162 of 1918, and Instructions to Pension Boards) (assessment to be stated in words as well as figures).
- (b) In case of aggravation or where there is any evidence that there was a disability on entry, what in your opinion was the degree of disablement which existed at the time of joining the Army?

I write to ask you concerning my seperation allowance.

My son Pte. Leslie Rice 3150 enlisted in Oct. 1916 and I received his allotment up until he was married. I never received any seperation allowance.

He was married in Jan. 1919³ and his wife got 30 dollars seperation allowance.

So I am entitled to seperation allowance from the time of his enlistment in 1916 up until he was married in Jan. 1919.

I trust this will get

your earliest attention.

Yours faithfully,
John Rice
