A telegram dated 28/4/18 (3821) received from the Hon. Minister of Militia of Newfoundland, states that your Father has not received a letter from you since your transfer to Switzerland, and is beginning to feel anxious concerning you. It is not known here, of course, whether you have written or not, but in a time like the present when the despatch of every letter is a matter of much uncertainty, the necessity of writing often must be very evident to yourself.

Please advise this Office of any change of your address, which is at present understood to be as now indicated.

Descriptive Return of a Soldier Discharged on Account of Disability

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station," and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

- With reference to attached correspondence concerning the above named soldiers. I have investigated their cases and both men state as follows:-

They arrived in New York on Saturday afternoon and state they were given leave to go ashore but were not told when the train would be leaving New York with the troops. They arrived back at the ship at 10.30 p.m. and found that the troops had entrained at 7.30 p.m.. They remained on board the ship all night and reported to the British Consul in the morning. They were handed over to the British Assistant Provost Marshal, New York who arranged their transports to Newfoundland. They were each advanced Five Dollars, (\$5.00), as subsistence money by the British A.P.M. I enclose statement made by the two men to the A.P.M.
