Oct 21st 1918

Mimuted copies of correspondence with the War Office relating to enlistments of.

#3070 Pte. H. Scott
3071 Pte. G. H. Doyle.

are enclosed for your information and direction as to procedure with regard to these and any similar cases that may arise.

Will you kindly telegraph instructions as soon as possible after receipt of the within.

H. A. TIDWELL,
Major.

Chief Paymaster & C. i/c, Records.

The attached correspondence with the War Office has been noted.

For your information, I would state ^{that} Newfoundlanders residing in the United States subject to draft under American Military Service regulations, are allowed sixty days to enlist with the American Force or to proceed to their own country. In the event of their deciding to return to their own country, they are given a permit to leave the United States and the Canadian authorities allow them to pass through Canada on their way to Newfoundland, if they produce satisfactory proofs that they are not liable to Military Service in Canada.

In regard to Newfoundlanders serving in Canada, and agreement exists between the Newfoundland Government to the effect that Newfoundlanders drafted under the Canadian Military Service Act, are allowed to transfer to the Newfoundland Military Forces.

With reference to the two men mentioned in the above and any other such cases as may arise, their transfer to the 2nd. Inf. at Winchester should be facilitated and copy of their attestation sheets and other necessary copies of records sent to this Department for information.

ENLISTMENTS.

1. P. & R. O. Letter 12210/226/R. & C. to W. O. (A.G. 13)
Two men, who were recruited on Buffalo, New York have reached this country, and have been posted from Hounslow to the 2nd. Bn. Royal Newfoundland Regiment, Hazley Down Camp, Winchester.
It is not clearly understood by what arrangement these men, who were apparently first sent from the United States to Canada and came over with an American draft, have been allotted to the Royal Newfoundland Regiment. Any information you may be able to give on the matter of recruiting Newfoundlanders in the United States will be appreciated.
Meanwhile, these particular men, whose names are Nicholas Scott and George Doyle, have been re-attested on A.F. B2505 in the above named Regiment.
2. I am directed to acknowledge your letter of the 31st, ultimo No 12210/226/R. & C., regarding two men who are reported to have been recruited in Buffalo, and posted to the 2nd. Battalion of the Royal Newfoundland Regiment, on their arrival in this country.
I am to inform you that the Canadian and British Recruiting Mission in United States accepts men in the British Army and the Canadian Forces and that applicants are allowed to state at the time of attestation which unit they would prefer to join. It is assumed that these men expressed a preference for the Canadian Forces and were under the impression that the unit of their choice viz. the Royal Newfoundland Regiment, was administered by the Canadian Military Authorities.
On arrival in this country with other British subjects from the United States, these men were posted according to the notes made on their documents made at the time of their enlistment, and the Posting Officer was not aware that the British and Canadian Recruiting Mission was not authorized to attest men for the Newfoundland Contingent.
I am to request that the original documents of the two men referred to, namely, Nicholas Scott, and George Doyle, may be forwarded for inspection.
I am to add that recruitment of Newfoundlanders in the United States does not come within the scope of the British and Canadian Recruiting Mission and that these two men must have enlisted under a misapprehension.
3. P. & R. O. Letter 12904/243/R. & C. 9/8/18 to War Office.
With reference to your letter A.G. 13/C/64 of 6/8/18 (7062)
on the subject of two Newfoundland Recruited in Buffalo New York: I enclose as requested.
A.F. B. 2505
" " 203

Form of Application for Acceptance for Enlistment in the cases of
3070 Pte. N. Scott
3071 Pte. G.H. Doyle.
These men have now been accepted for the 2nd. Bn. Royal Newfoundland Regiment, and are serving at Hazley Down Camp, Winchester. Kindly return the enclosure.
4. Reply to Min. 13/C/64, 17/8/18 (7426)

I am directed to avert to War Office letter, Numbered as above dated 6th., inst., with which you forward the documents of Private's Scott and Doyle, which are returned herewith.
I am to say that it is not proposed to instruct the British and Canadian Recruiting Mission in the United States not to accept Newfoundlanders living in the United States for enlistment, as it is assumed, should any natives of Newfoundland in the United States come forward as volunteers for Service in Newfoundland Contingent, that their service will be accepted to you provided they are fit for General Service.
If you concur in this suggestion, it is proposed to forward any such men, together with their documents to Winchester immediately on their arrival in this country. It is thought however, that very few, if any, cases of this description are likely to occur in the future.

24. (a) What is the degree of disablement at which, in the Board's opinion, he should be assessed at present, independent of hospital or other treatment. Dear Sir:

re 3070 ex- Private N. Scott. Royal Newfoundland Regt.

I beg to say I am in receipt of the embarkation instructions for the above named man. There is no further word of the cheque which you say was sent to him on August 11th, for £14/7/8. He understands that it is necessary for a soldier to have about fifty dollars before landing in the States. At present, he is quite without funds, not having money to buy even his own food.

I wrote some days ago asking you to stop payment of the cheque which had evidently gone astray. Will you kindly send some money as soon as possible, as Scott has to leave here for Southampton on Friday, the 5th. As this is really a very urgent case, I trust you will give it your prompt attention. Of course, unless the money can be received here by Friday morning, it will not be any use sending it, as the man will be away.

~~3705~~ Pte. Scott, M. 1/R. Newfoundland. A.Coy.

With reference to your telephone message of the 28th April, 1919 stating that you were unable to identify the soldier described as above on List No.H.A.36008, you are informed that the Officer Commanding 1 Stationary Hospital Rouen, reports in reply to a communication from this Department, that Private Scott was admitted to hospital from No.1 Military Prison, Venereal Disease Annex and that according to the Records of the Hospital, the particulars concerning the man furnished to this Department, and circulated to your office under Casualty List No.H.A.36008 are correct.

The Officer Commanding 1 Stationary Hospital states that the soldier was discharged from Hospital to Camp Adjutant, Bruyeres Camp on the 24th April, 1919. This information is shown on Casualty List No.H.A.36118 circulated by this Department on 2nd May, 1919.

It is hoped you will be able to identify the soldier, but if you are unable to do so it would not appear to be necessary for this Department to institute further enquiries having regard to the fact that the soldier was not wounded and that he was disposed of by the Hospital.
