The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

My son Stephen who is now recovering from his wounds, and who shall soon be convalescent, if you would kindly grant him a furlough to come home, I would not, unless you this favor only for his father who is now undergoing treatment in hospital. He has been sick for the past six years and since the boys been wounded he has gradually become worse and is now in a critical condition. His one desire is to see Stephen. I would think it would be more beneficial to him than any medical treatment that he would undergo.

Dr. A. E. Wilson the local physician has given me a letter for your Excellency which I now enclose, which easily confirms what I have said. I may say that Stephen since the day of his wounding Dec. 1914 has not had a days sickness

Dear Fred.

I wrote the Pay and Record office St John's over a month ago asking them to send statement of my account to you. Please let me know if you have received it yet.

I notice I have been charged with an allotment of 50c's per day since I came over. This allotment was cancelled when I was at St John's in April 1916. I should be drawing full pay since I came over in Aug. So if you would please correct this and give me credit of balance in my next pay you would greatly oblige.

Please let me know if this can be done, because I am trying to get things fixed up in case I get a quiet send off.
