Descriptive Return of a Soldier Discharged on Account of Disability.

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. & C. Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

STATEMENT OF PRISONER OF WAR

Sgt. Pte. John Squires - Address 7 James Street

Listed - August 1914 - Proceeded Overseas October 1914

Company in France - "B" Company

Date & Place of Capture - Monchy -le-Preux- April 14th, 1917

Circumstances of capture- I was wounded in the left foot after we got beyond the first objective, and lay in a shell hole. Shortly afterwards the Germans were all around us, and four of us were taken off as prisoners.

Details of Life and Treatment under Capture - We were three days in Douai, my foot was dressed, and then on to Hospital in "Osnebrook" for two weeks. The treatment was not too bad on the whole; the great complaint was the scarcity of food. They used papers for bandages on all the wounded Hospitals. I was operated on here and a piece of shrapnel was taken out of my foot. Then I was sent to Hamel for about a month still under the doctor's care. The next place I went to was "Uckermore" where I was put on Light Duty making birch brooms. I was here for eleven months and have nothing to complain of there. Then I came back to Hamel for about 5 weeks still on Light Duty - making envelopes. Food was still very scarce. I got several parcels from the Was Contingent Association, and letters from home. Then I was sent to a Stone Quarry in the Hertz Mountains for about 3 months, where I had to work very hard. The treatment here was entirely different and we were subject to blows and kicks from the sentries if we did not work hard enough. We had to work from 5.30 a.m. to 8 p.m. daily. We lived in a shack which was only large enough for 40 men, and there were 62 of us in it. I was there when the Armistice was signed. About two weeks afterwards we shifted to Holtzminde, where we waited to be repatriated, and we were not given any work there. We arrived back in England, via Holland in December.
