C.R. 2055-
June 6th. 1919.

Mr. Isaac Squires,
Salvage, H.B.

Dear Mr Squires:-

With reference to your enquiry concerning money matters of your son, No. 2055 Pte. K. Squires would state for your information that the balance of his pay up to the time of his death will eventually be notified to this Office by our London Office. His account has not yet come forward, but when it is received it will be forwarded to the Department of Justice who will appoint you as administrator of his estate, and empower this Dept to pay you the balance at your son's Credit.

On the decease of a soldier, his pay ceases automatically. In many cases soldiers allot part of their pay to their parents or dependents; and in the case where it was allotted to parents, this Department was requested by the Board of Pension Commissioners to continue paying the allotment until such time as they could investigate and decide the claim for pension. I should like to make it particularly clear that an allotment thus continued is not to be considered as part of the soldiers pay, but as the payment on account of any pension that might be due. Incidentally, the Board of Pension Commissioners must refund to this Dept. all such payments made. The procedure after the Board of Pension Commissioners has made its decision as to whether or not the pension is payable is as follows:

If their ruling is that no pension is due, they request us to cease payment of the allotment cheque and due notification is given. If their decision is to pay pension, the amount received per allotment cheque is augmented to the monthly pension due; the difference per month since the decease of the soldier to the date of decision is paid in a lump cheque; the allotment cheques are no longer issued, and cheques for pension become current.

I hope I have made this perfectly clear to you, and I should be glad to supply you with further information that you should request. I am hoping that your son's non-effective account will shortly be received, and we will make an endeavour to have the matter settled as quickly as possible.

Yours faithfully,

Minister of Militia.

Dear Hamilton:

Your letter of January 9th, forwarding a letter to the Board of Pension Commissioners from Mr. Isaac Squires of Solvage, with reference to the balance of the estate of his son, No. 2055 Private Kader Squires, deceased, has been passed to this Department.

On enquiry from the Pay Office, it was found that no final statement of account had been forwarded by the London Office, thus it was necessary to search through the London the London office pay books and ledgers, in order that a settlement of his estate might be arrived at. We are now able to furnish the account, and find that this soldier left a will in favour of his father. The Dept. of Justice has been requested to issue the necessary papers in this connection, and as soon as we have the authority of that Dept., the estate amounting to \$180.65 will be immediately settled. I will be glad if you will reply to Mr. Squires in these terms.

Yours faithfully,
