NOTES:—

- (a) This report is solely concerned with Pensions.
- (b) A single copy only is required.
- (c) "Aggravated" being now a technical term, carrying right to pension, discrimination in its use is essential.
- (d) Be as brief as possible compatible with lucidity.
- (e) Avoid dubiety—"perhaps" "possibly" "might" and the like.
- (f) Only sufficient clinical data need be given to establish the degree of disability and assist the Board in arriving at a decision.
