NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as in the event of the man being invalidated, it is essential that the Commissioners of Chelsea Hospital should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is attributed to (a) active service, (b) climate, or (c) ordinary military service. It is therefore essential when assigning the cause of the disability to differentiate between them (see Articles 1162 and 1165, Pay Warrant, 1918).

(iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

Dear Sir:-

Enclosed you will find
a copy of a Telegram from
Rte Peter Gobin of St. Mary's
sent the night before he
left St. John's informing me
that he sent me money
which he did not.

The money referred to
was nine dollars due for
a drive for himself
Rte Frank Bowen and
Rte Gerald Barrett from
St. Mary's to Holywood C.B.
to connect with the train.
When leaving St. John's to
come here Capt. Montgomery

gave Tobin the passage
note for himself and others
for steamer and train
and as they had no money
with them they agreed
on giving it to Tobin to
send me when they got
it in St. John's.

Bowen and Barrett paid
Tobin about a week
before they left, and
Tobin kept the money.

When I wired to Bowen
about my not getting it
he went to Tobin and
the enclosed is the result.

Will you or can you
send me the nine dollars
from Tobin's pay or can
you advise me how
I am to get it.
