OPINION OF THE MEDICAL BOARD.

Expressions such as "may," "might," "probably," etc., are to be avoided.

(ii.) *The rates of pension vary according to whether the disability is (a) caused or aggravated by service in the present war. (b) Due to causes not connected with the present war, viz., (1) Previous active service. (2) Climatic diseases in pre-war service. (3) Ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.*

Give details :

22 (a). If not due to any of these causes, to what specific condition do the Board attribute it?

23. Is the disability in a final stationary condition? If not

- (a) How long is the present degree of disability likely to last?
- (b) If the present degree of disability is not likely to last 12 months can a further assessment at a reduced rate be made with reasonable confidence to cover a period of 12 months in all? If so, the reduced percentage and the period to which it will be applicable should be indicated in the answer to Question 24a.

Descriptive Return of a Soldier Discharged on Account of Disability.

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification, depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i. c. Records together with the remainder of the man's documents.

Sir:-

I have the honour to forward herewith copy of letter received from Q.M. C.E. Lewis applying for passage to England. As stated in his letter, this soldier was repatriated with the last Cornishan draft, but before repatriation he made no application for discharge in the United Kingdom, and we are, therefore, not obliged to furnish passage to England for him. I am referring the case to the Government for consideration and ruling thereon, as I am not empowered, under the circumstances, to accede to his request.

From Q.M.S. C.H. Tresise,

To Officer Commanding,

SIR:-

I am anxious to obtain my discharge from the Regiment in order to take up employment at my home in Devonshire, England.

I came out from England shortly before the war to work in a business house in St. John's and gave up my position to enlist in the Regiment in January 1915. I was sent back to Newfoundland on the last Corsican Draft. If I had known that I could have been demobilized at the Depot at Winchester, I would have obtained it there.

I have a job awaiting me in England now and I should like to take advantage of it as soon as possible. Consequently, I beg to apply for a passage to England by the S/S "DIGBY" which I understand is soon to sail.

Trusting that you will consider this application favourably,

I have the honour to be,

Sir,

Your obedient Servant,
