Descriptive Return of a Soldier Discharged on Account of Disability

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i. c. Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

December 3rd 1923.

Mr. Thomas Walsh,
21, Parade Street,
City.

Dear Sir:-

I beg to acknowledge receipt of your letter of November 26th applying for treatment of your nasal condition.

It is regretted that this Board cannot be responsible for treatment at this late date, in view of the fact that it now over four years since your discharge, and under the following section of the Pensions Act application for treatment of a disability must be made within three years after discharge:

"13. A pension shall not be awarded unless an application therefor has been made within three years:-

- (a) after the date of the death in respect of which pension is claimed; or
- (b) after the date upon which the applicant has fallen into a dependent condition; or
- (c) after the date upon which the applicant was retired or discharged from the forces; or
- (d) after the declaration of peace.

Yours very truly,

Secretary.

C. C. Oke, Esq,
Board of Pensions.

Dear Mr. Oke:-

In August 1918 I suffered an injury to my nose while on service with the Regiment at the Brinces Rink. I was only 18 at the time and had joined up about a month previously and was attached to "C" Company. I did not appear to be seriously affected at the time and it was not until January of the following year, while I was still on duty, being attached to the Orderly Room Staff as Stenographer to the Commanding Officer, that I felt any effects. I was then ordered to the General Hospital where Dr. Murphy, specialist, performed an operation on my nose. For about two months I was O.K. and then the organ began to trouble me again. I made several visits to Dr. Murphy and he gave me some treatment which afforded me relief. In August 1919 I, in company with the rest of the Orderly Room Staff, was demobilized. As I was feeling well I did not apply for a Standing Medical Board and was accordingly discharged A1. Shortly after my discharge I began to experience a recurrence of the trouble and I had several treatments which I paid for myself as I thought the trouble would pass away. Lately, however, I have had considerable difficulty in breathing through my nose and have been subject to headaches and nosebleed as well as having a "stuffy" feeling in my nose. I visited Dr. Fallon for an examination and

he informs me that an operation is necessary to remove the obstruction which he says exists there. I am enclosing his report. In conversation with Dr. Hosdell, Chairman of the Board, who is my editor, I was advised to write you and acquaint you of the circumstances. I now do so and request that you have the goodness to bring the matter up before the next meeting in order that I may find out if the Board is willing to assist me in any way. At present I am not in any position to undergo an operation such as is required at my own expense and if the Board will make me a cash advance or pay my hospital fees I would be greatly obliged. I do not ask for any maintenance fees or pension but, in view of the fact that the injury occurred while I was on service and in the discharge of my duties, I feel that the Board could do something for me.

Anything that you can do to bring this matter before the Board will be greatly appreciated by

Yours very truly,

Thomas J. Walsh.

P.S.: My Regimental number was 5950, my rank Lance-Corporal

To Whom It May Concern;

Thomas Walsh still has considerable blocking in the right side of his nose which he claims is the remains of injury during service , and which will require a posterior-submucous to get complete relief from symptome.
