\*Loss of teeth on or immediately after, active service, should be attributed thereto, unless there is evidence that it is due to some other cause.

Opinion of the Medical Board.

NOTES.—(i) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) *The rates of pension vary directly according to whether the disability is, (A) caused or aggravated by service in the present war, (B) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentials between them.*

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

1. (a.) State whether the disability is clearly attributable to—

- (i.) Service during the present war ;
- (ii.) Climate ;
- (iii.) Ordinary military service ;
- (iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or
- (v.) Whether it is constitutional or hereditary.

Yes  
—  
no  
no  
S.S. 6

(b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it?

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which?

Yes

23. Is the disability permanent?

24. If not permanent, how soon do the Board recommend re-examination?

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?

*Degrees of disablement should be expressed in the following percentages:— 100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil.*

100

26. If an operation was advised and declined, was the refusal unreasonable?

vide 16

27. Do the Board recommend—

- (a) Discharge as permanently unfit, or
- (b) ~~Change to England?~~

Yes

28. If discharge is recommended it should be stated whether further medical treatment (including orthopaedic training) is desirable in a—

- (a) Sanatorium;

- (c) Convalescent home;
- (d) Asylum; or
- (e) Other institution either as an in-patient or an out-patient, and if so the period for which recommended.

Dear Art:

Your letter to Capt. Howley has been referred to me, and I wish to say that we are unable to have your badge before you go, but if you will notify me as to your address in Canada when you arrive there, arrangements will be made to have you boarded there, so you see you will not be inconvenienced in any way.

I regret that because of the fact you did not apply for a discharge badge, one has not been engraved for you, however, I have arranged to have one done as early as possible and hope to have it ready before you part for Canada. When you know at a later date the exact time of your departure, kindly let me, so that I will know exactly where to send your badge, when it is received from the jewellers.

I hope your injuries are much improved now from when I saw you on the train, and that you are enjoying good health generally..

I wish you the best of success and prosperity in your future home.

Yours sincerely,

Lieut.

Mr. Arthur Webber,

HALIFAX, N.S.

Dear Sir:

I have your letter of Sept. 30th. and have notified the Medical authorities of your change of address.

With regard to your Discharge Badge, I am expecting it from the Jewellers in about a week, and just as soon as it is received, I will immediately forward it on to you.

I quite appreciate your position up there without a badge, as I am aware of the restrictions, but if anyone at any time holds you up for a deserter, I would show them my Discharge papers, and if that is not satisfactory show them the M.M. and I.B.M.

Yours faithfully,

Lieut.

Dear Sir & Friend.

The above is  
my present adress, & will be for some time.  
So when the time comes for my next Medical Board,  
you'll know where to find me. if that discharge badge  
is finished you would oblige me greatly by sending it  
on. as the authorities here are very strict, & not wishing  
to be pulled up for a deserter. I think the wearing of a  
badge is quiet necessary. & will prevent any trouble that way.  
trusting Sir you will do me this favor.

I remain Obediently yours

A Webber.

Many thanks for your kind wishes, My injurios are greatly  
improved since I saw you last. my foot still gives me a little  
trouble. & pain. hoping you are feeling yourself again.
